1. Objectives and Activities

The Dr Tunde Aladesanmi Foundation for Road Safety was established in memory of Dr Tunde Aladesanmi and six senior doctors whose lives were tragically lost in a road traffic crash in Nigeria. The Foundation's primary objectives are:

- To promote road safety awareness and reduce road traffic-related injuries and deaths.
- To educate schoolchildren on road safety practices, particularly during school break times.
- To advocate for improved road safety legislation and enforcement.
- To collaborate with governmental and non-governmental organisations to advance safe transport systems in Nigeria.

2. Achievements and Performance (April 2024 – April 2025)

During the reporting period, the Foundation achieved the following:

- Hosted the first annual Dr Tunde Aladesanmi Memorial Lecture on Road Safety and Preventive Trauma Care, attended by public health stakeholders and educators.
- Engaged with the Oyo State Ministry of Education and Ministry of Transportation to gain institutional support for road safety education in schools.
- Designed and distributed child-friendly road safety flyers and posters in both English and Yoruba.
