Report of the Trustees for the year ended 31st March 2025

The trustees present their annual report and financial statements of the charity for the year ended 31st March 2025.

Due to the ongoing delays caused by the Covid pandemic, the asset transfer necessary to commence the operation of the Charity remains suspended. Therefore, the Charity remains dormant until the transfer can be enacted and the Charity can commence its activities.

We are working hard with key stakeholders to secure the necessary land leases to progress our project, until that happens we cannot enact the asset transfer and The Trustees anticipate this being in the third quarter of 2026

The delay in commencing charitable activities means we have no income or expenditure and therefore no accounts to present. Whilst in the period of suspended activity the Trustees are working voluntarily to put everything in place to relaunch the Charity as soon as possible.

The trustees present their annual report and financial statements of the charity for the year ended 30th September 2020.

Due to the Covid pandemic, the asset transfer necessary to commence the operation of the Charity has been suspended. Therefore, the Charity remains dormant until the transfer can be enacted, and the Charity can commence its activities. The Trustees anticipate this being in the second half of 2022.

The delay in commencing charitable activities means we have no income or expenditure and therefore no accounts to present.

Due to pressures brought about by the Covid Pandemic two of five Trustees have had to stand down, these were Leslie Richards and Stuart Buswell. We have recruited a replacement and going through due diligence before adding John Phillips to the board.
