

Trustees Annual Report – Friends of The Vale.

Due to Covid-19 and delays with developing the charities activities over this period the charity did not conduct any activity or receive any financial contributions. The charity also had no expenditure.

The trustees will continue the development of this new charity in January 2022 following the relaxing of covid-19 restrictions and a return to 'normal'.

We are excited about the future possibilities and look forward to filing a more exciting and progressive annual report next year demonstrating our impact and progress towards out charitable objectives.
