**HEART FOR THE ELDERLY OF UGANDA
TRUSTEES ANNUAL REPORT
YEAR ENDED 30 SEPTEMBER 2022**

Reference and Administrative Details

Charity Name: Heart for the Elderly of Uganda ("the Charity")

Charity Registration Number: 1190600

Principal Office: 24 Lucan Road, Liverpool, L17 0BS

Trustees: Alexander Garden, Shirley Renwick, and Abraham Waigi.

Bankers: Barclays Bank plc, 164 Allerton Road, Liverpool, L18 2DH

Independent Examiner: Ian Afflick, 61 Tatton Road North, Heaton Moor, Stockport, Cheshire SK4 4QX

Structure, Governance and Management

The Charity is constituted as a trust with a Trust Deed dated 18 September 2019. The Charity is a grant making trust managed and administered by the trustees. In performing this task, the trustees have the support of a voluntary secretary.

There has been no change in trustees in the past year. Alexander Garden is currently acting as secretary.

Clause 9 of the Trust Deed provides that the existing trustees have power to select and appoint new trustees, having regard to the skills, knowledge and experience needed for the effective administration of the Charity. To date, in appointing a new trustee, the trustees identified the particular skills and experience required on the trustee board at the time, and then approached an individual who they considered met that profile and conducted an informal interview with them.

Objectives and Activities

The objects of the charity ('the objects') are:

For the public benefit, to relieve poor elderly people in Uganda who are in need because of old age, ill-health, disability or financial hardship.

The Charity furthers its objects by making grants to support projects helping elderly people in Uganda operated by local organisations, in accordance with its Grant Making Policy.

Achievements and Performance

This year, the Charity has made grants to a Uganda based charity working with elderly people, with which it partners. Grants from previous years were used to purchase land for the future construction of accommodation for elderly people. The grants made in this year have enabled the construction of an office and storage facilities, The boring of a well for water and the

preparation for connecting the site to mains electricity. The Charity continues, from time to time, to receive donations of blankets, bedding and clothes to send for distribution in Uganda. These are very useful in Uganda as even second-hand items from the UK are much better quality than most of what can be purchased in Uganda.

The Charity continues to raise the majority of income from personal donations and also benefitted from a legacy.

Public Benefit Statement

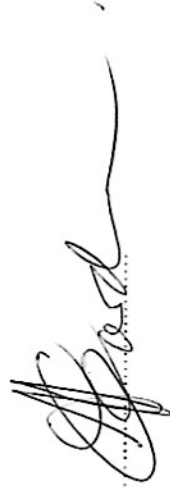

In exercising their powers and duties, the charity trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission. Trustees are all aware of the guidance and have due regard to it in making grant decisions.

Financial Review

The Charity has prepared receipts and payments accounts.

The Trustees have put in place a Financial Policy to govern the operation of the finances of the Charity.

The trustees do not have a reserves policy in place. The trustees do not consider reserves to be important for the Charity because it is a grant making charity that to date has made only one-off grants and has not committed to sending regular support to any project or entity, so there is no ongoing operation to support in the event that the Charity's income dropped or ceased. The Charity does not employ staff so has no need for reserves relating to staffing costs. The trustees keep this matter under review and will put a policy in place if one is required.
