REPORT OF THE TRUSTEES

For the year ended 31st March 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT (CONTINUED)

Recruitment and appointment of new board members

Trustees are appointed to reflect the skills required to support the Board and its range of activities. The trustees themselves appoint new trustees to the Board either through volunteers or people they have met while working in the community. Such recruitment is based on their individual skills and empathy for the subject the Board provides appointees with a full orientation on the services provided, the decision-making processes of the charity and the roles and responsibilities of a trustee, including their legal obligations under applicable laws.

Risk management

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to ensure that regular reports are produced and that necessary steps can be taken to address any issues arising.

OBJECTIVES AND ACTIVITIES

The charitable objects of the charity are to relieve the needs of those in rural villages in Pakistan by:

1. The relief of financial hardship, in particular but not exclusively by the provision of basic essentials such as clothing, sanitation and non-prescription medication;
2. The preservation and protection of good physical and mental health by enabling access to health care facilities and medically equipped transport; and
3. The advancement of education and training such as first aid courses empowering people to facilitate basic medical needs.

Public benefit

In setting out the charity's objectives and planning of activities the trustees have given careful consideration to the Charity Commission's general guidance and section 17(5) of the Charities Act 2011. The trustees are confident that the charity's objects comply with the responsibility placed on all charities under the Charities Act 2011 to demonstrate a public benefit.

ACHIEVEMENTS AND PERFORMANCE

The charity has remained dormant since its formation. No activity has occurred yet hence these accounts are dormant accounts.

FUTURE PLANS

No immediate changes to the company's dormant status are planned currently.

FINANCIAL REVIEW

As the charity is currently dormant, there is no financial performance to review.

Reserves policy

Whilst the charity is dormant, there is no requirement for the charity to hold reserves. The charity does not hold any reserves and the trustees are satisfied with this position currently.

Risk assessment

The trustees review the major risks faced by the charity during their regular meetings and confirm there are systems in place to mitigate them. Internal risks are minimised by the segregation of duties and procedures for authorisation of all transactions.

REPORT OF THE TRUSTEES (CONTINUED)

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Under charity law, the trustees are responsible for preparing the Report of the Trustees and the financial statements for each financial year which show a true and fair view of the state of affairs of the charity and of the excess of income over expenditure for that period.

In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether the recommendations of the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- state whether the financial statements comply with the trust deed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The trustees are required to act in accordance with the trust deed of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and to enable them to ensure that, where any statements of accounts are prepared by them under the Charities Act 2011 and the applicable Charity (Accounts and Reports) Regulations, those statements of accounts comply with the requirements of regulations under those provisions.

The trustees also have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

Charity requirements

This report has been prepared in accordance with requirements set down by the Charities SORP (FRS 102).
