Objectives and activities

Summary of the objects of the charity set out in its governing document

Champions disadvantaged and deprived communities of people and businesses specifically in the Old Kent Road ward(s) by speaking up for the varied & diverse communities; helps them interact with developers and others, liaises with varied stakeholders, groups and any/all other organisations to ensure communities are not left behind or penalised unduly by the regeneration of the area. Builds a strong and resilient community of people and businesses in as many ways as possible through as many activities as possible.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Trustees/directors of the charity have had due regard to the guidance issued by the Charity Commission on public benefit and therefore report as follows:

Our activities were severely curtailed by Covid19 lockdown but we have been able to carry out in partnership with the community & local authority a project celebrating the diversity of the area and its changing demography. It was called the 'Changing Faces of the OKR.'

Face-to-face engagement was carried out with local residents, local schoolchildren and local business owners about the regeneration of the area. Questions were asked and views were obtained. Our charity was introduced to the community. Information was shared about the planning process and how businesses and communities could inter-act and get their voices and views heard by the decision makers.

Communities on our housing estates were encouraged to work together by putting on an event. Unfortunately, a key plank of that, activity, our, 'There's Only One OKR Festival' still pending

We continue planning our meeting with businesses which will occur qua
