## COMMUNITY OUTREACH (Charity No 1190738) TRUSTEES' REPORT

The trustees present their report together with the financial statements for the year ended 1 July 2024. This Annual Report has been prepared in accordance with the Statement of Recommended Practice (SORP) for Charities and outlines how the trustees have fulfilled their responsibilities during the year. The accompanying Financial Statements also comply with SORP and provide a true and fair view of the charity's income and expenditure.

### Mission

Our mission is to relieve and prevent poverty by providing or facilitating access to essential support services. This includes welfare assistance, education, healthcare, food relief, clean water, housing, and educational resources delivered both in the UK and internationally. We are committed to empowering vulnerable individuals, including those experiencing homelessness or abuse, to move towards independent living and long-term stability.

### Objectives and Activities

Community Outreach is a community-focused organisation responding to poverty, hardship, and displacement. It provides vital support services to people experiencing crisis both locally and abroad. The charity's aims are to:

- Provide welfare assistance including food, medical care, and financial relief
- Deliver supported accommodation for vulnerable individuals and families
- Establish clean water projects and distribute hygiene support internationally
- Assist with access to benefits, healthcare, and independent living support
- Provide educational resources and community awareness initiatives
- Support victims of domestic abuse and homelessness with housing and wraparound services
- Offer volunteer opportunities and promote community integration through events and outreach

All activities are assessed in line with the Charity Commission's guidance on public benefit.

### Summary of Core Activities

- **Foodbanks & Meal Distribution:** Local foodbanks and global campaigns such as the "One Pound Hot Meals" during Ramadan
- **Clean Water & Food Relief:** Distribution in international crisis zones
- **Medical Aid & Emergency Response:** Emergency assistance and medical supplies
- **National Support Programmes:** Muslim Burial Trust, Quran distribution, Jummah Giving schemes
- **Housing Support:** Dedicated housing for vulnerable individuals, including domestic abuse victims
- **Community Education:** Outreach on peace, unity, and values grounded in inclusivity
- **Volunteering & Integration:** Opportunities for all, promoting cohesion across faiths and backgrounds
- **Fundraising Campaigns:** Appeals including Ramadan meals, Qurbani, Sadaqah Jariah, and recurring giving

## **Achievements and Performance**

In the past year, the charity made notable progress despite ongoing economic challenges:

- Delivered extensive housing and welfare support across the UK
- Funded vital medical, food, and international clean water projects
- Expanded educational outreach and religious distribution schemes
- Grew its volunteer base and strengthened partnerships across the community

All services were funded through donations and housing-related income. Key impact areas included supported housing placements, international water projects, and seasonal aid campaigns (e.g., food parcels during Ramadan and Qurbani distribution).

## **Structure, Governance and Management**

The charity is governed by a board of trustees who meet regularly to oversee the charity's strategy, compliance, and delivery. The trustees serving during the reporting period were:

- Asad Uddin (Chair)
- Shaikh Abdul Amin
- Mohammed Jumel Miah

Trustees are recruited based on skills and experience through a transparent appointment process, which includes interviews and background checks. Appointments are confirmed at formal board meetings. Trustees are responsible for ensuring the charity meets its legal duties and delivers public benefit.

## **Support Team & Staffing Structure**

The charity does not directly employ staff. Instead, it works with trusted third-party providers who supply dedicated support personnel for housing and care services. These individuals are assigned exclusively to our service.

The partner companies handle recruitment, safeguarding, compliance, and payment. This outsourced model allows the charity to remain focused on its mission, while ensuring that qualified and vetted professionals deliver frontline support.

The charity also engages dedicated volunteers who play a key role in delivering housing and community services. The charity maintains full oversight and control of all activities carried out by these individuals and ensures that safeguarding and compliance standards are fully met.

## **Financial Review and Reserves Policy**

The charity's financial position remains stable and sustainable, with sufficient reserves to support ongoing operations in the medium to long term. This stability is underpinned by regular donor contributions and prudent financial management.

The trustees aim to allocate resources promptly and effectively, in line with the charity's objectives and the public benefit. There are no known uncertainties affecting the charity's ability to continue as a going concern.

A comprehensive risk assessment is reviewed at every trustee meeting. The trustees are confident that the charity has appropriate systems in place to monitor and manage all identified risks.

The Board of Trustees extends sincere appreciation to all supporters, donors, and volunteers for their continued contributions.

## **Trustees' Responsibilities in Relation to the Financial Statements**

The trustees are responsible for preparing the Annual Report and Financial Statements in accordance with applicable law and UK Accounting Standards. This includes:

- Selecting appropriate accounting policies
- Applying them consistently and prudently
- Ensuring the financial statements provide a true and fair view
- Maintaining proper records and safeguarding assets
- Ensuring compliance with the Charities SORP (FRS 102)

The trustees are also responsible for maintaining accurate accounting records, safeguarding the charity's assets, and taking reasonable steps to detect and prevent fraud or financial irregularities.

- Establish income generation projects to transition beneficiaries away from reliance on donations
- Providing relief, such as medical and food aid, clean water facilities.

In setting our objectives each year, we consider the Charity Commission's general guidance on public benefit.

### **Achievements and Performance**

As with all industries, Community Outreach UK was hit particularly hard by the pandemic. Despite this, through the continued support from our local donor base, we continued to receive significant donations which allowed us to not only continue the support for eligible beneficiaries but increase the number of beneficiaries we have registered.

### **Structure, Governance and Management**

#### **Trustees**

The trustees are responsible for setting the strategy and are responsible for the running of the charity. All the trustees served for the whole year:

- Select suitable accounting policies to be applied consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent

**COMMUNITY  
OUTREACH  
INDEPENDENT  
EXAMINERS' REPORT**

---

**Independent examiner's report to the trustees of Community Outreach**

I report to the trustees on my examination of the accounts of Community Outreach for the period ended 1 July 2021.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention

**Basis of independent examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
