HOPE AND ANCHOR COMMUNITY CHURCH

Report of the Trustees For the year ended 30 September 2024

The trustees present their annual report and financial statements for the year ended 30 September 2024.

Summary

The trustees are pleased to report a successful year for Hope and Anchor Community Church.

The highlights of the year were as follows:

1. We have had thirty (30) full-time volunteers working with us, together with more part time volunteers. Hope and Anchor Community Church is entirely dependent upon the services of unpaid volunteers for which we are greatly indebted, and we thank them for their commitment and support.
2. This year we have had more than one hundred participants attending the Church services and an increase in people viewing our online services. Many people visited the Think Coffee & Ink for social activities as small groups, and for other free community events.
3. We have helped people in our local community by serving tea and coffee for those in need, and by inviting people in general to church services and to our free community activities.

Aims and Purpose of the charity

Our main aim is the advancement of the Evangelical Christian Faith in London, England, and elsewhere in the United Kingdom, or abroad as laid out in the Memorandum and Articles of Association of the charity.

Objectives and Activities

The objectives and activities of Hope and Anchor Community Church are as follows:

We desire to advance the Christian faith in all that we do, but those who benefit from our activities do not need to be of any particular religion, race, creed, color or demographic. We serve anyone that would be in need and would benefit from our services. The organisation carries out its purposes to advance the Christian religion by doing the following:

We partner with groups, such as every main church denomination, local councils, local charities, social action groups, and other Christian movements and organisations. Our heart is to serve our community, by looking for the needs that we can address and bringing people together.

We have been involved in all kinds of activities, such as pioneering local works, as well as organising regular trips and outreaches to partners abroad. These activities are designed to promote the objects of our charity. We have been involved in many kinds of outreach and social action projects such as Food Banks, Cafe/Food Drop-ins, Street Ministry, Community Projects/Centres such as skills workshops, art or education classes, arts exhibitions/live performances, and work with the homeless, the vulnerable in the community and refugees. In addition, we have been involved in developing relationships and partnerships with local authorities, local people and businesses.

HOPE AND ANCHOR COMMUNITY CHURCH

Report of the Trustees (continued) For the year ended 30 September 2024

Creating and maintaining relationships are a fundamental part of our work, and we train our volunteers to carry out this aspect of the work. We will continue to work with existing projects whilst seeking new ways to encourage those who benefit from these activities.

Evangelism - everything we do is motivated and expressed through our commitment to the Christian Faith. We are motivated by love and are working to express that love. The organisation is committed to regular street evangelism, to meet the emotional and spiritual needs of people. A weekly church service is held and is open to anyone to attend, as well as regular prayer, small groups, and bible studies.

It is intended that the objectives and activities will be achieved as follows:

1. Having weekly church services, regular prayer small groups, bible studies, weekly evangelism times, and other Christian activities
2. Inviting people to local church services at Hope and Anchor Community Church in Camden, a local church planted by the charity, to bring community and faith values to local families and individuals
3. Hosting social activities at the locations (including Think Coffee & Ink) to create friendships with local people and a sense of community and enjoyment
4. Offering services such as free haircuts, free coffees, teas and food at the charity cafe and drop-in location in Camden (Think Coffee & Ink), as well as reconstructive tattoos free for those who have need. The tattoo artists who provide these services are suitably qualified to do so. They are charity volunteers who are licensed tattoo artists. They have a certificate of competence. These reconstructive tattoos are provided in circumstances of scarring because of accidents or surgeries due to cancer or other traumas.
5. Offering free tea, coffee, and conversation on the streets of London
6. Helping to meet practical needs, provide support to people in the community who are struggling with homelessness, poverty, addiction, and loneliness.
7. Providing opportunities for people to learn more about Christianity and its tenets for living
8. Providing short-term (less than 3 weeks) and long term (five months) training and mission opportunities and by equipping people for missional ministry through personal experience and hands-on training.
9. Supporting communities: identifying missional needs in London and surrounding communities, and to strategically place individuals, teams, and resources into those situations to help meet those needs.
10. Offering free choir practice and performances throughout the year
11. Supporting Overseas Work: to form, support, and partner with missional communities, create projects and institutions to address areas of social need in other nations for the advancement of the evangelical Christian faith worldwide.

Public Benefit

The trustees confirm that the Charity has complied with its duty under section 4 of the 2011 Charities Act and has had due regard to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's objectives and activities. The trustees have considered how planned activities will contribute to the aims and objectives that have been set.

Achievements and Performance

We hold church services at our local church, Hope and Anchor Community Church, which is open to the public each week in London's Borough of Camden. At least four times per week we go out into the community to invite local people to come and share time with us to be a part of our services and local free activities. We have had over 100 people coming to the church in person. We ran three local connect groups during the year where people came to share fellowship together. In addition, four times each weekend we spend time in the community, giving out food and tea and coffee, and sharing with people in the community.

We did a big local initiative during Easter week to engage with the community and give them a space to learn more about the meaning of Easter and celebrate this event together. We had drums, stilts, face painting, chalk, Camden town community choir performances and free teas and coffees.

Think Coffee & Ink: Cafe ministry: We have a cafe, to create a space in the local community where people can gather and have a social network. The space also hosts workshops, church services, training services, small groups, and similar activities of benefit to the community. Haircuts for the homeless and reconstructive tattoos for those who have had surgeries or other traumas are offered as well.

This year we continued with an initiative called Hope Community Support, that supports people in their emotional and mental health. Through this initiative we were able to offer workbooks for people to process their thoughts and emotions, in addition to offering other support to people.

Another local initiative we have is We love Camden. This year we've been connecting with the homeless and people on the streets through handing out food and warm beverages. We aim to work together with other people, businesses, and organizations, to help and love those on the streets in Camden and eventually even support and elevate local business and art within the community. As part of this initiative, we ran a local festival in the summer for the community, with activities for kids, live performances, local businesses offering goods, and other enjoyable

A new missions training course was conducted named Arise Inteenship. One trainee partnered with us for three months, learning about missions and using their unique gifts to serve the community.

Report of the Independent Examiner to the trustees

We report on the accounts of the Charity for the year to 30 September 2024, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2013 (the 2013 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2013 Act.
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2013 Act; and
- to state whether matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2013 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2013 Act have not been met: or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
