

Moriah Chapel Trust

Annual Report 2023-2024

Aim and purpose

Moriah Chapel Trust is a charity that oversees the maintenance of several properties, one of which is a listed church building located in the town of Blaenavon in South Wales.

The organisation is a registered charity and is run by the trustees.

Objectives and Activities

The primary objective of the charity is to ensure that the main property is maintained to ensure it is safe to use for religious services.

Income is derived through property rentals, property sales and donations.

Achievements and Performance

[Repair of side wall of the Chapel](#)

The side wall of the chapel has been letting in water for many years. Planning permission and listed building consent has been approved to remove the lime render from the side of the building and to repair and replace with compliant materials.

The search for a suitable builder has been started by obtaining quotations for the work.

Financial Review

The main source of income was the sale of the residential property, see above.

The expenditure was mostly spent on the maintenance work described above.

[Trustees](#)
