## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The objectives of the charity are the preservation and protection of the good physical and mental health of women who are pregnant, planning a pregnancy, or who have recently given birth, for the public benefit of promoting physical activity through:

- 1) Raising public awareness of benefits of physical activity throughout pregnancy and the post natal period, particularly but not exclusively by:

- 3) Conducting research into activity and exercise during pregnancy and publishing the useful results
- 4) Promoting and developing best practice guidelines in the field of activity and exercise during pregnancy and the postnatal period

## **OBJECTIVES AND ACTIVITIES**

### **Significant activities**

During the period the Foundation has been working on the set up of the charity and starting to raise awareness of the charity and its aims, including:

(1) Raising public awareness through the following;

- a. Building a website, which signposts to resources, advice and guidance, and is targeted at pregnant and postnatal women, their support network and healthcare and fitness professionals.
- b. Planning the Real Mums are Role Models Photography Competition to be launched in May 2021.
- c. Top Tips for Being Active During the COVID-19 Pandemic.
- d. Launching and maintaining social media outlets, including: Instagram, Facebook and Twitter.
- e. We produced, with the support of Dr Claire Spearing, two videographics which explain the CMO (Chief Medical Officer) guidelines and are tailored to pregnant and postnatal women.

(2) Working with the sports and fitness professionals, sports industries and health and social care provisions by;

- a. Recruiting and establishing a multi-disciplinary Scientific Advisory Board (SAB).
- b. Establishing relationships with Sport England, British Army, CIMSPA and ukactive.
- c. Endorsing a E-Learning for Healthcare Module.

(3) Conducting research by launching three surveys to ascertain the activity levels, and barriers to activity for pregnant and postnatal women throughout the pandemic.

(4) In promoting and developing best practice guidelines in the field of activity and exercise during pregnancy and the postnatal period, we agreed a Memorandum of Understanding with the Chartered Institute for the Management of Sport and Physical Activity (CIMSPA) signifying our recognition of the importance of the development of a high-quality workforce to support women to be active throughout and after pregnancy.

During the year efforts were spent drafting a suite of policy and procedure documents including Health & Safety, Equal Opportunities, Complaints, Data Protection, Privacy Notice and many more.

### **Public benefit**

In accordance with the duties in the Charity's Act 2011, it is incumbent on the trustees to conduct a Public Benefit Test, to assess if the charity has complied with its duties in due regard to the public benefit guidance published by the Charity Commission. The trustees are satisfied that The Active Pregnancy Foundation has complied with its duty in regards to the Public Benefit Test over the past period, based on the four principles in the Commission's Guidance.

1. There must be an identifiable benefit:

Funds raised from donations, sponsorships or concessions are used to raise awareness of the foundation and how people can access the foundations resources.

2. Benefit must be to the public or a section of the public:

All the charity's services are open to all members of the public at large and access to our services is not restrictive.

3. People on low incomes must be able to benefit:

As the charity offers free information and guidance to the public, they do not consider any monetary restriction on the services offered.

4. Any private benefit must be incidental:

The trustees do not consider that any individual or organisation receives a 'private benefit' from the work of the charity.

### **Grantmaking**

There was no grant making during the first period for the charity.

## **ACHIEVEMENT AND PERFORMANCE**

### **Charitable activities**

We feel our greatest achievement to date is the establishment of the charity as a legal entity, particularly during the difficult pandemic period. Also recruiting and maintaining a volunteer base e.g. our trustee board, Scientific Advisory Board, interns and social media volunteers, especially when working practices had been so affected by COVID-19.

## **FINANCIAL REVIEW**

### **Financial position**

The balance sheets shows a new current liabilities of £3,148, being other creditors which are monies owed to key management for expenses paid during the set up period. This is expected to be reimbursed during future financial years, where more funding and donations are being received by the charity.

### **Reserves policy**

The trustees and management regularly review the finances, budgets, and cash flows to aid effective stewardship of the charity. The trustees and management recognise the restrictions placed, where applicable, on donations, grants, and other income combined with relevant expenditure in the financial period in order to accurately assess the restricted fund levels as at the reporting date. Restricted funds are held until they can be appropriately utilised by the charity for their specified purpose. The charity did not hold any restricted funds in the current period.

### **Going concern**

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charities forecasts and projections, and the current years performance. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. As such the charity can expect to be able to meet its liabilities as they fall due in the period of at least 12 months from the date of approval of these accounts. However, there can be no certainty in relation to these matters.

On this basis the trustees have concluded that the charity is a going concern. The financial statements do not include any adjustments that would result from the charity not being able to meet its liabilities as they fall due.

### **Funds in deficit**

The unrestricted funds of the charity are in deficit as at the financial reporting date, as explained above.

## **FUTURE PLANS**

During the next year the Foundation is planning on increasing its public awareness, including many social media campaigns.

The Foundation also plans to apply for funding from several organisations to assist with its aims including National Lottery, Sport England and ukactive.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The charity is a Charitable Incorporated Organisation, governed by its constitution approved on 3 August 2020.

### **Recruitment and appointment of new trustees**

The management of the Foundation is ultimately the responsibility of the trustees who are elected by other trustees and the management team, and appointed under the terms of the Constitution.

### **Organisational structure**

The trustees and management team meet several times throughout the period when strategic decisions and business matters are discussed. Separate meetings between management and certain trustees are held when necessary to discuss day to day activities.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Induction and training of new trustees**

Where necessary, trustees are provided assistance and training by their fellow trustees of The Active Pregnancy Foundation who have previously held or currently hold a trustee role.

The trustees are also required to complete an E-learning for Healthcare Module - Being Active: Pregnancy and the Postnatal Period, to assist them in their role.

### **Key management remuneration**

The charity had no employees in the current period. The charity provided no remuneration to its management during the period.

### **Related parties**

The only related parties with which the charity undertakes transactions with is the trustees and key management.

### **Risk management**

The trustees have assessed the major strategic, business and operational risks to which the Foundation is exposed, and are satisfied that systems and procedures are in place to monitor and control those risks in order to mitigate any impact they might have on the Foundation.
