Hertford Town Church
Report of the Trustees
for the Year Ended 31 December 2022

The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (published October 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purposes of the church are:

1. The advancement of the Christian faith in accordance with the Basis of Faith primarily but not exclusively within Hertford and the surrounding neighbourhood; and
2. Such other charitable purposes as shall, in the opinion of the charity trustees, put into practice the Christian faith in accordance with the Basis of Faith, including but not limited to: the prevention and relief of need, hardship and sickness; the advancement of education; and the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life

provided that the advancement of such purposes must be undertaken in a manner that is consistent with the Doctrinal Distinctives and Ethical Statements as may be adopted and amended by the church from time to time.

OBJECTIVES AND ACTIVITIES (continued)

The church's ministries

In fulfilment of these purposes, the church appointed Josh Wynn as pastor in early 2023, responsible for maintaining a regular ministry and pastoral care for the congregation. Extensive use is made of the regular church attendees who willingly volunteer their time to, for example, support children's work, undertake visits/phone calls to church members and other regular attendees, provide oversight, maintain the premises and serve in the wider community.

The church has brought benefit through:

1. A programme of meetings and events which seeks to deepen the spiritual lives of those attending the church, help them to live out the Christian life where they live and work, and provide opportunities for other members of the public to hear the Christian gospel. Our meetings included:

- morning services each Sunday (broadcast on Zoom for those not able to meet in person). A nearby church hall was rented from mid-November onwards as the church had outgrown the space in the church building;
- morning Sunday school;
- a mid-week programme, including meetings for both prayer and teaching; and
- Christmas carol services.

2. Encouragement to those who attend the church to pray for the wider church, the needs of the world and to volunteer their time in the name of Christ to serve the needs of the community. Prayer meetings were largely online via Zoom.

3. Buildings which provide for Sunday worship and facilitate meetings throughout the week and for the encouragement of the Christian faith amongst all ages within the local community. These were enhanced with the provision of equipment to enable the live broadcast of services to those unable to attend in person.

Public benefit

The Trustees are aware of the Charity Commission's guidance on public benefit (PB1). They consider that the church's objectives and activities, and their decision-making in relation thereto, are and have been consistent with that guidance.

Grant making

There are specially announced appeals with the monies donated being given directly to the organisation concerned – and when it spans a financial year end, some of the income is shown in one financial report, with the remainder of the income and the grant being made in the following years financial report. Research into a suitable project is undertaken by the Trustees and the project approved by the Trustees. Reports are received from the organisation on the benefit derived from that giving. Such grants are made as restricted gifts and, for the period covered by this annual report, were for the following purposes:

- Christmas 2021: Hope for Mena
- Easter 2022: Ukraine relief
- Christmas 2022: Operation Mercy

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During 2022, the church has continued to focus on teaching the Bible and promoting prayer and fellowship, including through the teaching and outreach ministries outlined above.

In addition to weekly services and mid-week fellowship and teaching, there was one baptism, one wedding and one funeral during the year.

FINANCIAL REVIEW

Principal funding sources

The church is dependent on donations made by those who attend the church and other donors. The amount given has steadily increased throughout 2022 as the number attending the church has increased. For the period ended 31 December 2022 the church received unrestricted donations of £20,611 plus restricted giving of £16,125.

Investment policy and objectives

The church's investment assets comprise the church building. The value of the property is reviewed from time to time by the Trustees and Treasurer to ensure that the market value is greater than the investment. The remaining financial assets of the church are held in an instant access bank current account. There is no exposure to stock market shares.

Reserves policy

The Trustees policy is to maintain a reserve of at least three months' expenditure. It is not the policy of the church to build up general reserves, preferring to rely on God's providence to meet needs as they arise.

Property and Land

The property and land consisting of Hertford Town Church are owned by the church.

FUTURE PLANS

Several items are proposed for 2023. These have arisen through an ongoing review of activities and a desire to enable those outside the church to understand the gospel of Jesus Christ. Such plans include:

- The induction of a pastor;
- Continuing to share the Christian faith with others;
- Continuing to welcome the new people who are attending the church;
- Facilitating fellowship amongst those attending the church;
- The rolling out of affiliate membership at the church to help identify who belongs to the church, to help with governance, and to encourage service in the church.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The church's governing document is a written Constitution approved and adopted at a Trustees members' meeting held on 21 July 2020. The church is a Charitable Incorporated Organisation, with registration number 1190784.

Recruitment and appointment of new trustees

Appointment of Trustees is set out in the Constitution. Trustees are appointed by the Trustees and serve as elders – and a pastor would become a trustee on appointment by virtue of their role as an elder. Recommendations for new Trustees are brought to the trustees meeting by the existing trustees. They are appointed at a Trustees meeting via a resolution that must be passed by a 75% majority of the quorum then present.

Organisational structure

The Trustees and Treasurer regularly review and discuss the affairs of the church.

Induction and training of new officers

New Trustees and Treasurers are briefed as necessary on their obligations under charity law, the Constitution and the decision-making processes of the church.

Safeguarding

Hertford Town Church's ministry for children and young people operates under a Safeguarding Policy and Procedures tailored to the needs of that ministry. The Policy and the Procedures were reviewed and adopted by the Trustees. The Trustees and all Sunday school volunteers receive specific training on safeguarding children and young people. Processes are in place for the proper handling of concerns about the welfare of children and young people and referral to authorities where necessary or appropriate.

**Independent Examiner's Report to the Trustees of
Hertford Town Church**

Independent examiner's report to the trustees of Hertford Town Church

I report to the charity trustees on my examination of the accounts of Hertford Town Church (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Hertford Town Church

Notes to the Financial Statements for the Year Ended 31 December 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

Hertford Town Church is a charitable incorporated organisation registered in England and Wales.

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (published October 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in Sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

Income

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income is accounted for when received, with the exception of income tax recoverable on gift aid donations, and interest arising on deposits which are accounted for on an accruals basis.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure. Grants are recognised as a liability when the church is under an obligation to make a payment.

Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The trustees have therefore adopted the going concern basis in preparing the accounts.

Governance costs

Governance costs include all expenditure to comply with statutory and legal requirements.

Notes to the Financial Statements - continued for the Year Ended 31 December 2022

1. ACCOUNTING POLICIES - continued

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on cost
Motor vehicles	- 25% on cost

No depreciation is provided on freehold buildings. The charity adopts a policy of maintaining properties to a high standard, which prolongs their useful lives and enhances their residual value (based on prices prevailing at the time of acquisition or subsequent valuation) and accordingly the Trustees consider depreciation arising to be immaterial.

Fixed assets with a value under £1,000 are written off as expenditure in the Statement of Financial Activities.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Fund accounting

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short-term deposits.

Debtors and creditors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt.
