The governing document of MEC CIO is:

The CG3 Church Constitution as provided by Edward Connor Solicitors. The Church Handbook sits alongside the Church Constitution, is consistent with it, and sets out in more detail how the church functions. The Handbook includes our Basis of Faith, Doctrinal Distinctives and Ethical Statements.

The purpose and objects of the charity are as found in the Church Constitution:

The advancement of the Christian faith in accordance with the Basis of Faith, primarily, but not exclusively, within Stowmarket and the surrounding neighbourhood; and

Such other charitable purposes as shall, in the opinion of the charity trustees, put into practice the Christian faith in accordance with the Basis of Faith, including but not limited to: the prevention and relief of need, hardship and sickness; the advancement of education; and the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life;

Provided that the advancement of such purposes must be undertaken in a manner that is consistent with the Doctrinal Distinctives and Ethical Statements as may be adopted and amended by the Church from time to time.

The work of the year:

Much of our energies have been concerned with navigating the Covid-19 pandemic and the various pastoral and practical implications of that. The Autumn of 2020 certainly came with that pressure. However, 2021 was styled a 'year of prayer for lost people' with the intention that 2022 would be a 'year of evangelism to lost people'. This was to be a positive, outward-looking and evangelistic vision to tide us over until we could cast a larger and longer-term vision as elders/trustees during 2022.

2021 was marked by all our usual emphases: pastoral care, the functioning of our 'Growth Groups', our commitment to work with children and young people both within the church (creche, Sunday School, Friday Club) and outside the church (as for 'within' but also including Open the Book, October Light Party and Outdoor Nativity services). In addition to this, at our weekly Sundays services, we learnt together from the books of Exodus and Ephesians as well as some topical bible teaching. This is all in accord with the requirement that we be for the Public Benefit.

We seek to meet this Public Benefit requirement in the following way:

There are three main identifiable benefits to the public or sections of the public that flow from the church fulfilling its purposes.

1. Those who come to know and continue in the love of God report that accepting the love of

God in Jesus Christ was the best decision they ever made and that knowing this love gives them strength in their everyday life.

2. Advancing the Christian Faith promotes a moral framework. This framework is outlined in the Bible, the Old Testament being interpreted by the New Testament. A summary of the framework is the command for people to love God with their heart, soul, mind and strength and love one's neighbour as oneself. An exposition of the framework can be found in chapters 5-7 of the Gospel of Matthew. Church members are encouraged to live out their faith within the community and to put this moral framework into practice in their everyday lives with everyone they interact with and so this benefits the members of the public who interact with members of the congregation each day.

3. It is for the public good that the main beliefs of the Christian Faith are made known in society, even if people disagree with the Christian message, because this enables people to make informed choices concerning religious belief and contributes towards a free society where different ideas and beliefs are widely known by the public.

In these ways, to name a few, our charitable objects and purposes promote and pursue human flourishing, the common good and the public benefit.

Financial Review

The income of the church is made up the generous regular and spontaneous giving of church members and the Gift Aid which often accompanies this.

At the end of 2021 the church received a gift from Great Blakenham Baptist Church, with whom we are partnered, which enabled us to complete the financial year. One-off gifts and regular giving picked up in January 2022 and we continue to trust God for his provision.

Reserves Policy

The church has £800 assigned to the Building Fund. The church has typically not built up major reserves. However, the trustees will give consideration to a Reserves Policy. Three areas seem particularly pertinent. 1) reserves to cover 3 months expenditure, 2) reserves towards the needs of our building, especially as we are more than "80% full" in terms of regular attendance and 3) reserves towards the deployment of additional gospel workers.

We hereby confirm that we, as trustees, have considered the Charity Commission guidance on public benefit and consider that our purposes and practices meet the requirements as above.
