THE SASHA FOUNDATION
Report of the Trustees
for the year ended 31 December 2024

The trustees present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Objectives of the charity are the provision of financial support and guidance to established charitable organisations:

- (1) in the UK, supporting young people in the UK with a bias towards young people, who are suffering from depression and mental health issues or who are confronting drug abuse issues; and
- (2) within the UK and Europe, supporting education and healthcare projects and programmes in the third world, with a bias towards education for young women.

In preparing their report and the financial statements of the charity for the year ended 31 December 2023, the trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015).

All trustees have served as volunteers during the reporting period during which their main activities have been to consider and, where deemed appropriate, to award grants in accord with the Objectives of the charity based on grant applications submitted by charitable bodies. The trustees are cognisant of and follow the guidance issued by the Charity Commission on public benefit.

The Trustees do not engage in fund raising activity: their role is restricted to overseeing the investment of the charity's endowment income by professional fund managers and the award of grants.

The grant making policy of the Sasha Foundation can be found on the charity's web site.

Grantmaking

The trustees award grants to suitable established charitable organisations in line with the charity's objectives.

ACHIEVEMENTS AND PERFORMANCE

Grant awards totalling £37,515 (including bank charges) were made during the period to charities in support of their work with young people in the UK and with education and healthcare activities in Kenya and Nepal. Reports from the charities subsequent to the award of the grants gives the trustees confidence that the grants have made a significant difference to the lives of those supported by the recipient organisations. Further detail is to be found on the Sasha Foundation web site at <https://www.thesashafoundation.co.uk/>.

FINANCIAL REVIEW

Financial review

The funds invested in the Transact Investment Account under the professional management of Sovereign Wealth Management stood at 31 December 2024 net of fees at £779,052 (31 December 2023 - £718,182). No withdrawals were made from the Investment Account during the period.

Additional donations amounting in total to £26,000 net were received during the period from the First Trustees, resulting in a net income for the period of £26,287.

Taking into account grants made of £40,030 and administrative expenses of £7,322 during the period, the short-term cash reserves held by the charity at 31 December 2024 stood at £35,027.

No custodian funds are held or administered by the charity.

The trustees' policy is to provide long term support to selected, sustainable projects that meet the objectives of the Sasha Foundation. The level of reserves held is judged appropriate to meet this objective and underpins the charity's status as a going concern.

FINANCIAL REVIEW

Reserves policy

The trustees' policy is to provide long term support to selected, sustainable projects that meet the objectives of the Sasha Foundation. The level of reserves held is judged appropriate to meet this objective and underpins the charity's status as a going concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is an unincorporated organisation governed by a Trust Deed based on the model trust deed (GD2) recommended for adoption by charitable trusts by the Charity Commission for England and Wales. In addition, the trustees take into account a letter of wishes from the principal settlors (the first Trustees) giving guidance to the trustees on how they would wish the funds invested in the charity to be applied taking into account the objects of the charity.

Appointment of trustees is governed by the Trust Deed. There must be at least 3 Trustees and no more than 9 Trustees and every Trustee must be appointed for a fixed term of 5 years by a resolution of the Trustees passed at a special meeting called under clause 15 of the deed. Trustees should be direct descendants from the first Trustees unless there are insufficient direct descendants from the first Trustees, who are able and willing to act. In addition, when selecting an individual for appointment the Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

The trustees meet twice a year to review progress reports received from recipient organisations on grants awarded in prior periods, assess latest grant applications, review the financial status of the charity and to determine future grant awards. Meetings are subject to a formal agenda and are formally minuted. Post meeting the Chairman handles the transfer of funds to successful applicants and ensures the appropriate acknowledgement of receipt and commitment to the correct application of funds is received. Separately the Chairman meets with Sovereign Wealth Management twice a year to review and agree investment policy with respect to the invested funds.

**Independent Examiner's Report to the Trustees of
The Sasha Foundation**

Independent examiner's report to the trustees of The Sasha Foundation

I report to the charity trustees on my examination of the accounts of The Sasha Foundation (the Trust) for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE SASHA FOUNDATION

Notes to the Financial Statements for the year ended 31 December 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
