SHIRAS DEVORAH LIMITED
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST AUGUST 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st August 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's object and its principal activities are:

The advancement of the orthodox Jewish religion and education by the provision of a day school for girls known as Shiras Devorah High School.

The ancillary / incidental educational , religious activities and other associated activities for the benefit of the community.

The Charity is organised so that the Directors and Trustees meet regularly to manage its affairs.

Public benefit

The trustees have carefully considered the public benefit requirements and their duty to ensure that they are compliant with them.

They feel that the activities as detailed below, more than adequately, satisfy the public benefit requirement.

The trustees continue to operate within the confines of the charity objectives namely in the respect of the advancement of Orthodox Jewish religion and education by providing day school for girls known as Shiras Devorah High School and by ancillary/ incidental educational and religious activities and associated activities for the benefit of the community.

ACHIEVEMENT AND PERFORMANCE

The trustees are pleased with the performance of the Charity during the past year.

FINANCIAL REVIEW

Financial position

The Statement of Financial Activities shows a deficit of £18,525 (2021: £13,419) . As at the year end, our reserves stand at a deficit of £67,821 (2021: £49,296).

Reserves policy

The Trustees have been concentrating on building up the reserves of the charity to a level that will ensure that operation of the charity is not affected by any significant downturns in donation levels caused by the vagaries of the economy. They feel that a cash reserve level equivalent to two years operational expenses would allow them to achieve the required safety margin.

FUTURE PLANS

Looking to the future, the Charity would like to be in the position to expand into larger premises, once the economic climate is right for such a move. The trustees feel that such a measure can only be realistically contemplated from a position of financial stability.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The trust is constituted under the Memorandum and Articles of Association and incorporated on 6th March 2018 as amended by special resolution dated 20th July 2019.

The trustees are appointed by the Board of Trustees who would normally appoint new trustees to fill vacancies arising through resignation or death of an existing Trustee.

SHIRAS DEVORAH LIMITED
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

All directors of the company are also trustees of the charity.
All of the trustees named on page 1 served throughout the year.

The Board has the power to appoint additional trustees as it considers fit to do so.

Risk management

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions.

The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

SHIRAS DEVORAH LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST AUGUST 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The Financial Statements have been prepared on the going concern basis, on the understanding that the creditors will not be calling in their loans at short notice.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using either a straight line or reducing balance method, as indicated below.

Depreciation is provided on the following basis:

Fixtures and fittings - 25% Reducing balance
Computer equipment - 25% Reducing balance

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The Charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST AUGUST 2022

1. ACCOUNTING POLICIES - continued**Financial instruments**

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in profit or loss.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method, less any impairment.

Cash and cash equivalents

Cash and cash equivalents are represented by cash in hand, deposits held at call with financial institutions, and other short-term highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.
