Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are to advance in life and help young people in The Gambia through supporting projects in The Gambia that:

- (a) Develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals, making them more employable and increasing their standard of living in the future;
- (b) Advance education through sponsorship, free education, after-school

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

<p>classes, training programs and the offering of resources to ill-equipped schools;</p> <p>(c) Relieve poverty or financial hardship in The Gambia by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient; and/or</p> <p>(d) Provide recreational and leisure time activity in the interests of social welfare for people living in The Gambia who have need by reason of their youth, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.</p>
<p>Establish an after-school tutoring and mentoring educational programme for deprived children of The Gambian in core subjects based on the national school curriculum i.e., English, mathematics, history, spelling, reading, handwriting, rhymes etc.</p> <p>Implement an after-school reading club for deprived children of The Gambia by supplying all the books, resources and materials to set up the mini book library. The reading books are swapped weekly.</p> <p>Implement a Saturday morning social, audio visual and sports club for deprived children of The Gambia. The charity supplies all the materials and resources and materials.</p> <p>Implement periodical educational trips for children enrolled in the after-school programme, by visiting places of specific interest relating to their educational curriculum.</p> <p>The charity provides financial assistance to the children in our after-school programme by paying their school fees / resources when ejected from school due to outstanding bills. Part of the charity policy is to retain the children in the state school programme for the duration that they are in our programme.</p>
<p>The progress and success of our programmes are measured though two performance indicators as follows:</p> <ol style="list-style-type: none"> Performance assessment of the children in the state school they attend and on the subjects that we deliver at our programme. (The trustees do receive the term assessment reports of participating children from their respective state schools from their parents to review their individual special needs to improve on their weaknesses). Performance assessment of the kids in our programme. (The trustees receive regular updates / reports on the progress and welfare of the children enrolled in our programmes / activities) <p>The above two performance indicators are amalgamated into a report and issued to the trustees for review and evaluation of the children's progress / measuring performance.</p> <p>The trustees have created a channel of communication between the charity and the school / classroom teachers of the children in our programme through charity appointed education / programme coordinator.</p>

Achievements and performance

Summary of the main achievements of the charity during the year

1. Retained all our after-school educational programmes and activities as set out in our annual objectives.
2. The performance of the children on their core school subjects continue to improve.
3. Achieved our first after-school programme / activities benefiting 60 children and maintained continuity through out the academic year.
4. Expanded to a second after-school educational programme at a different district benefitting 24 children.
5. All the children in both programmes did have good attendance records.
6. We achieved a key objective by retaining all the children in our programmes in their respective state schools with no dropouts.
7. The trustees and volunteers are proactively implementing and maintaining a conducive and safe environment for the children to thrive.
8. We achieved zero reported incidents / accidents in our programmes and activities for the whole of the academic year.
9. We established safe covid-19 operational guidelines to be able to continue our programme and activities throughout the academic year.
10. We are self-procuring adequate PPE for all members of our programme volunteers, participants, and beneficiaries to prevent risk of covid-19 transmission.
11. We have been able to operate effectively with zero recorded internal covid-19 infections / outbreak throughout the academic year.
12. Raised sufficient funding to operate all or programmes and activities during the ever-challenging Covid-19 period.
13. The charity's educational programmes and extra curriculum activities is benefiting individuals, families, and the local communities enhancing their way of life and future prospects.
