### Summary of the main achievements of the charity during the year

As with every years we organised three important cultural events Ugadi, Bathukamma and Diwali which are the main celebrated festivals of Telugu speaking people. These events acted as base for people to interact, children to learn and understand the traditions of Telugu culture. There was lot of positive feedback from the attendees, good food, cultural music, dance and songs all made the vents very successful. These are something which we will carry on.

We managed to attract a number of new community members based on our past activities. We have more ambitious plans for the forthcoming years to expand and achieve our goals. The community is growing and we are also supporting other charities in terms of creating a place of worship for Hindus in and around Cambridge

### Summary of the main achievements of the charity during the year

We have organised three important cultural events namely Ugadi, Bathukamma and Diwali and, these festivals bring people who speak Telugu to come together and celebrate these events. There was lot of positive feedback from the attendees, good food, cultural music, dance and songs all made the vents very successful. These are something which we will carry on.

We wanted to start organising teaching traditional dance classes, but sourcing a volunteer teacher has been challenging and finding a suitable venue has been difficult. This is something which we will pursue further.

We managed to attract a number of new community members based on our past activities. We have more ambitious plans for the forthcoming years to expand and achieve our goals.

## Achievements and performance

### Summary of the main achievements of the charity during the year

We have organised two important cultural events namely Diwali and Sankranti, two big festivals which bring people who speak Telugu to come together and celebrate these events. These events acted as base for people to interact, children to learn and understand the traditions of Telugu culture. This also acted as a platform for new people who have arrived in the UK, to develop relationships and make new friends among the community. There was lot of positive feedback from the attendees, good food, cultural music, dance and songs all made the vents very successful.

We wanted to start organising Telegu classes for children of the community but we could not find a suitable teacher this is something we will try and start in the coming years..

We managed to attract a number of new community members based on our past activities. We have more ambitious plans for the forthcoming years to expand and achieve our goals.
