The charity has three main objects:

- To advance education for the public benefit by providing assistance to support schools in underprivileged areas of South Africa, Eastern Cape with school uniforms, transportation to school, teaching materials and equipment for education and sport facilities;
- to relieve financial hardship by providing assistance to orphanages in Gauteng province, Johannesburg and Pretoria in South Africa to provide facilities and support for education; and

For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of them being homeless or as a result of their ill health (mental or physical).

b) Strategies for achieving objectives

The charity has adopted the following strategies for achieving the above charitable objects: Regularly holding meetings to evaluate its objectives; seeking updates from the Support for Community & Voluntary Groups (CCVS); organising funds raising events in order to fulfil the objectives set; and reaching to more people through various events.
