Objectives and Activities

The charity has three main objects:

- To advance education for the public benefit by providing assistance to support schools in underprivileged areas of South Africa, Eastern Cape with school uniforms, transportation to school, teaching materials and equipment for education and sports facilities;
- to relieve financial hardship by providing assistance to orphanages in Gauteng province, Johannesburg and Pretoria in South Africa to provide facilities and support for education; and
- to promote social inclusion for the public benefit in the Cambridge area and London by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society through the use of sport, in particular, but not limited to football. For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of them being homeless or as a result of their ill health (mental or physical).

b) Strategies for achieving objectives

The charity has adopted the following strategies for achieving the above charitable objects: Regularly holding meetings to evaluate its objectives; seeking updates from the Support for Community & Voluntary Groups (CCVS); organising fundraising events to fulfil the objectives set; and reaching out to more people through various events.

The charity also registered for the Annual Football Tournament within the Cambridge community. This is to engage and encourage mental health, to integrate with the community to minimise or eliminate stigma, promote health and fitness, and boost community spirit.

Financial Review

a) Reserves Policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the charity should be used according to the objectives pre-determined and the urgency of the situation. In doing so, the trustees feel that the funds will be objectively used.

b) Principal Funding

Funding was provided mainly through donations from the charity members and from the general public.

Plans for the Future

The Charity aims to continue to provide autism school in South Africa with monthly meals as well as supplying food parcels to orphans. The charity also intends to keep working with organisations such as Reach Out Autism as well as promoting social inclusion, mental and physical health by organising sports events and meetings. Lastly, the Charity is also looking to grow in membership and continue to develop its members to make a life-changing impact on society.
