Chairman's Report

I would like to place on record my thanks to all the trustees for their hard work and dedication in over the last year. After bringing stability to the charity, I would like to put my thanks on record to Shafiqur Rahman and Al-Masoom Abdullah who have stepped down as trustees, whilst still fully supporting the charity as volunteers. Despite still feeling the effects of Covid-19, Oldham Inspiring Youth has delivered projects and programmes that directly benefit Oldham, reaching the young people (and old) who are most at need across our community, with particular challenges caused by the cost-of-living crisis.

We will continue to work hard over the next 12 months as we help rebuild our community after the constraints. Our community will need our support more than ever and we will strive to provide them with the support and programmes they need to help them thrive within the community and as individuals. We have managed to make a substantial impact so far in Oldham, helping young people access a wide range of pursuits. We have been successful in grants applications which has allowed us to help people in our area access sporting activities, make friends, improve their physical and mental health.

Our Trustees and outside organisations, commissioned by ourselves, have delivered important work in communities across Oldham in what have been really challenging times. We have delivered holiday, weekend, and evening activities in local neighbourhoods to help give everyone activities to help improve their mental and physical wellbeing, in particular as the cost-of-living crisis is impacting an increased number of people trying to survive after losing family, jobs and security to covid.

The hard work and dedication of our trustees and volunteers is vital to our charity's continuing success. I would like to thank them for their time and efforts over these last 12 months, without this dedication none of the above programmes would have been possible.

With the continual effort, passion and abilities of our trustees and volunteers, I am positive our charity will continue to grow and help support our young people across Oldham.

Many thanks

RESERVES POLICY

In order to make judgement of the amount of reserves Trustees have considered the risks in respect of expenditure, unrestricted income, and where appropriate restricted income and where funds can only be realised by the disposal of a fixed asset. Also taken into consideration are any external identified potential major risks to income and expenditure during the year under consideration.

Oldham Inspiring Youth is currently dependant on funding to sustain its activities, as earned income alone would not allow it to continue operating. This means that if there were to be a gap in funding it is likely that Oldham Inspiring Youth would have to close down.
