Chairman's Report

I would like to place on record my thanks to all the trustees for their continued hard work and dedication over the past year. Their commitment has enabled Oldham Inspiring Youth to remain focused on delivering projects that directly benefit our community, particularly those affected by financial hardship and social isolation.

The cost-of-living crisis continues to place strain on many families. In response, our programmes have provided opportunities for young people and families to engage in meaningful activities, build confidence, and strengthen community connections.

During the year, we secured funding to expand our services. Girls-only physical activity sessions, led by female coaches, have promoted inclusion and wellbeing. Our summer holiday programme, supported by Comic Relief, offered accessible play, sports and social opportunities for children and families. Family-friendly sports sessions have continued to encourage active lifestyles and positive parent-child engagement. In addition, our community fridge project has grown, ensuring food and support services remain accessible to those most in need.

Volunteers remain central to our work. We were pleased to receive funding to recognise their contribution through shared activities and branded team t-shirts, strengthening identity and retention. Efforts to sustain and expand our volunteer base have further enhanced our ability to support young people across Oldham.

Looking ahead, Oldham Inspiring Youth remains committed to helping our community thrive. With the dedication of trustees, volunteers and partners, we will continue to build on our successes and extend our reach across Oldham.

Oldham Inspiring Youth

Report of The Trustees

31st July 2025

The trustees are pleased to present the report on activities and projects of Oldham Inspiring Youth for the period to 31st July 2025.

OBJECTIVES AND ACTIVITIES

Oldham Inspiring Youth is an unincorporated association, the aims and objectives are outlined in the association's constitution. The Objects of Oldham Inspiring Youth are the deliver sport and physical activity sessions within Oldham.

GENERAL REVIEW

Oldham Inspiring Youth deliver Physical wellbeing programmes in communities across Oldham. These programmes are delivered to all genders, ages and ethnicities working in partnership with key organisations to identify those in need and get them the support they need.

RESULTS OF ACTIVITIES

The financial results of our activities are enclosed in the attached statement. Thanks to the generous support of our grant providers, Oldham Inspiring Youth has continued to deliver a wide range of sports and community programmes, positively impacting children, young people and families across Oldham.

During the year, our initiatives have promoted inclusion and accessibility by engaging participants from diverse nationalities and faith backgrounds. Girls-only physical activity sessions, led by female coaches, have supported confidence and wellbeing. Family-friendly sports sessions have encouraged active lifestyles and strengthened parent-child relationships. Our summer holiday programme, funded by Comic Relief, provided accessible play, sports and social opportunities for local children and families. Evening *Eat & Play* sessions combined healthy food with physical activity, ensuring families could benefit from both nutrition and recreation.

The community fridge, supported by the Hubbub Foundation, has expanded to provide essential food and hygiene products to local residents, with strong backing from local businesses sustaining the project. Volunteer recognition funding has further strengthened our team identity and retention, ensuring that our volunteers remain at the heart of our delivery.

We remain committed to financial accountability, ensuring every grant is fully utilised for community benefit. Income and expenditure remain balanced, as we only spend what we raise or receive through grants. Every pound in our account directly supports our projects, strengthening our impact and sustainability.

RESERVES POLICY

In order to make judgement of the amount of reserves Trustees have considered the risks in respect of expenditure, unrestricted income, and where appropriate restricted income and where funds can only be realised by the disposal of a fixed asset. Also taken into consideration are any external identified potential major risks to income and expenditure during the year under consideration.

Oldham Inspiring Youth is currently dependant on funding to sustain its activities, as earned income alone would not allow it to continue operating. This means that if there were to be a gap in funding it is likely that Oldham Inspiring Youth would have to close down. To avoid closure if funding difficulties were to happen, the board of trustees has agreed to keep a certain level of financial reserves to ensure that main operations can continue for a period of twelve months.

The level of reserves are calculated and monitored every six months by the board of trustees.
