Report and Activities:

This is the third operational year for M4M that has been difficult due to the trustees not being able to meet face to face because of where we all live in the country it has proven very difficult and the charity has been inactive, however we managed to get some donations in from our local supporters through donation tins and we sponsored a rounders team that also donated £600. Again we were very inactive due to the distance and are seriously thinking of Granting our remaining funds to Brain tumour charities and closing down in 2024.

The income received was £1200.00

The expenses paid £878.98, there are no creditors.

The retained balance as at year end 31st December 2023 is £11,626.92

Charitable donations:

No suitable beneficiaries were discovered in 2023.

2024 we will be looking at Granting the remaining funds to brain tumour charity's and closing the charity down officially.
