Se r	Item	Lead	Remarks
1	Welcome	Rod Williams	
2	Introduction - Chairman	James Howells	Chairman's Report summarised a good season, with good attendance and a 50% win rate for Sundays and 60% midweek. Once again, the AllStars Training had been very successful and the intention was to additionally run next summer. In addition, it was requested that he run additional Thursday training/nets session, which was agreed.

4	Treasurer's Report	Simon Burrell	We have a reasonably healthy bank balance, but need to receive this season's sponsorship by Oakwrights and the Pitstop (Subsequently received). Treasurer encouraged Members to attend the winter social events as fundraisers.
5	Fixtures Secretary's Report	Richard Tomlin (handing over for 2023)	Summary given of a full fixtures list, with some cancelled games early in the season, mainly due to other teams failing to raise a side. Recommended looking to put a few 'gaps in the schedule' for 2023. Again, request for feedback on clubs to play (good/bad). Vote of thanks given for the Fixtures Sec for keeping everyone informed of the schedule.
6	Equipment Report	Steve Cadby	Generally, our equipment has remained in very good order, and roller has worked well since battery replaced; the nets will stay up again over the winter - some maintenance required. Vote of thanks given for the Equipment Manager - for keeping the kit 'on the road'.
7	Groundsma n's Report	Rod Williams	The square has remained in good order; Wilts CC trailer booked for 27 Sep, all paid up. Groundsman will need help next summer, so rota will be drawn up for one week (one evening + one match each).
8	Captains' Reports	Nick Verspeak Steve Cadby	Gave a summary of the highlights of a good summer season, both Sunday and Midweek and a successful Winter League.

Support to the Groundsman in 2023. RW stated he had had great support from Jeff Leonard and Steve Cadby through the summer and would re-establish a rota for

next summer with individuals supporting one evening and pre-match preparation of the wicket. All agreed.

Should we remain in the Charity Commission? The Sec stated that now he understood the Charity Commission on-line system, it was not much additional work, so recommended remaining as a Charity. All agreed.

Should we have gaps in the Fixtures List in 2023? The Fixtures Sec said that we had had a pretty full fixtures list, but there were some challenges early in the season and at Bank Holiday weekends in August, so recommended put breaks in the list to accommodate. All agreed.

Should we get a midweek strip? Matt Bragg suggested that having a mid-week coloured strip would be a good potential means of raising sponsorship. The Chairman agreed to look into the option (no vote).
