This charity although registered on 19th August is not yet operational.

The charity will consist of an amalgamation of three churches into one.

There have been legal difficulties which have prevented the completion of the amalgamation and so the three churches are still operating independently

We hope this will be resolved in the near future

That being the case there is no trustees report.

A handwritten signature in black ink, consisting of several stylized, overlapping loops and a long horizontal stroke extending to the left.
