Report of the Trustees

The Board of Trustees, who are the trustees for charity law purposes, submit their annual report and the financial statements of Kumba Association UK for the year ended 31 March 2025. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities (revised 2005)'.

Governance and Management.

The Trustees hold individual roles and form the nucleus of the Management Team who administer Kumba Association UK

The Team meets quarterly to consider and decide upon all aspects of management of the charity including compliance with all legal requirements, budgets for projects and activities for the benefit of the local community. The Teams discussions continue to include strategic planning and working towards the vision for the charity.

The Trustees have assessed the major risks to which the organisation is exposed and are fully satisfied that the systems and policies are in place to mitigate exposure to the assessed risks i.e. Health & Safety, Public Liability and Building and Contents Insurance.

Achievements & Performance.

During the year, Kumba Charity continued to make positive progress in furtherance of its charitable objectives. This was achieved through the continued commitment of its Trustees, whose strategic oversight has helped guide the Charity's activities, together with the ongoing support of its funders, who are principally its members.

The Charity continued to face challenges in relation to meeting premises, as it does not yet have access to a permanent venue and remains reliant on members hosting meetings and activities within their homes. Whilst this has presented some practical limitations, the Charity has remained operational throughout the year and has continued to deliver support to its beneficiaries. The Trustees are grateful for the willingness of members to make their homes available for this purpose. In a number of cases, the premises used have been improved and refurbished, helping to create a more suitable, welcoming and dignified environment for service users.

The Charity's monthly soup kitchen remained a key area of activity during the year and continued to provide practical assistance to individuals and families within the community. This initiative has remained an important part of the Charity's response to hardship and need.

In addition, the Charity's outdoor sports activities continued to make a valuable contribution towards reducing social isolation and promoting community inclusion. These activities provided beneficiaries with opportunities for interaction, physical activity and social support, thereby supporting both wellbeing and community cohesion.

The Charity's youth programmes also performed strongly during the year, with high levels of participation and engagement. The Trustees consider these programmes to have delivered meaningful benefit by providing children and young people with constructive activities and a supportive environment in which to participate and develop.

Overall, the Trustees consider that the Charity has made satisfactory progress during the year in delivering public benefit and advancing its objectives, despite the practical constraints under which it continues to operate. The Charity remains thankful to its members, volunteers, supporters and funders for their continued contribution to its work.

Here is a slightly more polished **accounts-ready version** with a stronger statutory tone:

Achievements and Performance

During the year ended 31 December 2025, Kumba Charity continued to pursue its charitable objectives and deliver public benefit through a range of community-based initiatives. The Trustees are pleased with the progress made during the year, particularly in light of the operational limitations faced by the Charity. These achievements were made possible through the strategic oversight of the Trustees and the continued support of the Charity's funders, who are primarily its members.

A continuing challenge for the Charity during the year was the absence of permanent meeting premises. The Charity remains dependent on the generosity of members who host meetings and activities in their homes. Although this arrangement places limitations on the Charity's operations, it has enabled activities to continue without interruption. The Trustees are encouraged that a number of the homes used for meetings and activities have been refurbished or improved, helping to provide a safer, more appropriate and dignified setting for beneficiaries.

The monthly soup kitchen remained one of the Charity's principal activities and continued to provide regular support to vulnerable individuals and families in the community. The Trustees consider this programme to be a significant element of the Charity's charitable work during the year.

The Charity also continued its outdoor sports initiatives, which have played an important role in addressing isolation and encouraging community participation. These activities have supported social wellbeing by bringing people together and promoting inclusion through shared physical and recreational activity.

In addition, the Charity's youth programmes achieved particularly strong levels of participation and engagement during the year. The Trustees believe these programmes have made a valuable contribution to the personal development, wellbeing and inclusion of children and young people within the community.

The Trustees are satisfied that, notwithstanding the infrastructure challenges faced, the Charity has continued to operate effectively and to deliver meaningful benefit to its service users during the year.

Conclusion.

We take this opportunity to thank and congratulate most sincerely all who contribute in any way with time and talents, mostly on a voluntary basis. We continue to work in partnership with other voluntary and public organisation to provide services and widen our impact in the community. We would also like to thank our charitable funders for their excellent financial support, enabling our organisation to thrive and grow, allowing us to offer a valuable asset to our local community.

The trustees acknowledge their responsibility for complying with the requirements of the Companies Act 2006 respect to accounting records and the preparation of accounts.

The trustees are satisfied that these financial statements give a true and fair view of the state of affairs of the Charity at the financial year-end and of the profit or loss for the financial year in accordance with section 396 of the companies Act 2006.

Chairman of the board of

Accounting Policies and Notes

1 Basis of Preparation of financial statements

The financial statements have been prepared in accordance with the Companies Act 2006 and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards for Small Entities (effective January 2015).

1.1 Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds are unrestricted funds which the Trustees have set aside for specific purposes necessary for the future operation of the Charity. The Trustees have the power to reallocate such funds within unrestricted funds unless and until expended.

1.2 Income/Expenditure

Income:

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Where received in instalments, only amounts known with certainty are included in incoming resources. Where grants are received for future accounting periods these are deferred until that accounting period.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Expenditure:

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities, they have been allocated on a basis consistent with the use of the resources.

Costs of raising funds are those incurred in seeking voluntary contributions, grants and the generation of funds through fundraising events. Resources expended on charitable activities comprise the costs incurred by the Charity in working to meet its charitable objectives.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, and the conditions remain within the control of the Charity, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are noted as a commitment, but not accrued as expenditure.

1.3 Cash flow

The Charity has taken advantage of the exemption from the requirement to produce a cash flow statement on the grounds that it is a small charitable company.

1.4 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.5 Small Items of capital expenditure

Accounting Policies and Notes

1 Basis of Preparation of financial statements

The financial statements have been prepared in accordance with the Companies Act 2006 and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards for Small Entities (effective January 2015).

1.1 Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds are unrestricted funds which the Trustees have set aside for specific purposes necessary for the future operation of the Charity. The Trustees have the power to reallocate such funds within unrestricted funds unless and until expended.

1.2 Income/Expenditure

Income:

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Where received in instalments, only amounts known with certainty are included in incoming resources. Where grants are received for future accounting periods these are deferred until that accounting period.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Expenditure:

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities, they have been allocated on a basis consistent with the use of the resources.

Costs of raising funds are those incurred in seeking voluntary contributions, grants and the generation of funds through fundraising events. Resources expended on charitable activities comprise the costs incurred by the Charity in working to meet its charitable objectives.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, and the conditions remain within the control of the Charity, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are noted as a commitment, but not accrued as expenditure.

Our weekly worship Premises are clean and attractive and newly decorated throughout to meet the expectations of all who use and visit us during our weekly service. As a community organization, we were a part of the Love Your Neighbor initiatives support hub for those in need of immediate help and support during the precarious months of the of Covid-19 and had to close our doors in accordance with Government guidelines however we continued to deliver on-line service to our members.

Conclusion.

We take this opportunity to thank and congratulate most sincerely all who

contribute in any way with time and talents, mostly on a voluntary basis. We continue to work in partnership with other voluntary and public organisation to provide services and widen our impact in the community. **TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

The Board of Trustees, who are the trustees for charity law purposes, submit their annual report and the financial statements of Kumba Association UK for the year ended 31 March 2021. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities (revised 2005)'.

Structure, governance and management

The 3 Trustees are:

1. Clara Ngeujoh Pungong
2. Robinson Samme Akame
3. Nkem Unice Nju

The Trustees play a primary role in ensuring good governance and functioning of the foundation. The Board's role, functions and responsibilities are quite clearly defined.

The Charity currently has a dedicated team of Advisory board members in the UK who have helped to secure financial support and contribute to the future planning of the organisation.

Governing document:

Kumba Association UK is a Charitable Incorporated Organisation registered on 24 August 2020.

Risk Management:

We are committed to a policy of identifying, monitoring and managing the risks that might adversely affect the activities in which we are involved. In this context, risk is defined as the potential to fail to achieve charity objectives and for loss, financial and reputational, inherent in the environment in which we operate in the nature of the transactions undertaken.

The principle risk of the charity has been its dependence on voluntary income. Trustees have initiated various processes to mitigate such risk, so that the charity has sufficient reserve in the event of adverse condition(s).

The trustees have also examined other operational and business risks which they face and confirm that they have taken steps to mitigate the significant risks.

Public Benefit:

The Trustees have complied with the duty in Section 4 of the Charities Act 2006 and have paid due regard to public benefit when preparing this report. The benefit provided to the public is consistent with the aims of the charity in UK.

Objects and activities:

To provide or assist in the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

The contribution of volunteers during the year

We have benefitted greatly from the work of our volunteers who have provided a wide range of expertise in various areas, including specialist knowledge, cleaning, driving and administration.

Financial review:

The largest contribution to the charity for the year came from general offerings. The charity has begun its charitable activities from its inception.

The Charity currently aims to designate the total fund received less expenses for the main objective of the charity.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021

Plans for future periods:

The Charity plans to develop various fundraising strategy to include mass marketing. Besides mass marketing and events, the charity is aiming to achieve its targets through securing donations from willing individuals. A development board may be created to help include other avenues of fundraising to be included in the yearly programme.

Statement of Board of Trustees' responsibilities

The Board of Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law applicable to charities in England/Wales requires the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for that period. In preparing those financial statements the Board of Trustees have:

- Selected suitable accounting policies and applied them consistently,
- Made judgments and estimates that are reasonable and prudent,
- Stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepared the financial statements on a going concern basis (unless it is inappropriate to presume that the Charity will continue in operation).

The Board of Trustees has overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the detection and prevention of fraud and other irregularities.

The Board of Trustees is responsible for the maintenance and integrity of the corporate and financial information. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
