The legal responsibility for the election of new Trustees lies with the Annual General Meeting (AGM). The existing Trustees would normally recommend members/people who have the Charity's interests at heart to the AGM who would duly undertake the necessary voting and subsequent appointments as required.

Trustee/volunteer and other training/seminars are organized periodically for both new and existing Trustees.

All Trustees are updated and given copies of all necessary Church Policies, Procedures and The Constitution of the Church. Copies of other Handbooks including Charity Commission booklets such as CC3, CC60 are also given out to the New Trustees.

The charity's organisational structure.

The church is managed by board of trustees chaired by the Head Pastor.

The day to day activities are managed by the Chief Operating Officer, Senior Pastor and Resident Pastor who report to the Board of Trustees.

The Chief Operating Officer is supported in the day to day duties by three departmental heads: Deacons, Administrative Secretary, and Finance & Projects Officer.

There are various committees (comprising Church members) who are supervised by the Deacons, with the remit of discussing matters of concern at short notice.

The Administrative Secretary is supported by office staffs .

How the charity makes decisions and how decisions are delegated.

The Pastors and the Elders retain oversight responsibility of all church matters. The Trustees are responsible for the Charity.

The Trustees meet every Quater and any additional meetings are planned as the need arises to discuss and plan the implementation of the charity's objectives and activities. Matters of general concern are duly discussed by the Trustees with church members through periodic Church meetings.

As a spiritual institution, all church matters are firstly, subject to prayer and God's direction with Trustees comprehensively deliberating on matters before implementation. Major decisions at any church meeting are determined by a simple majority vote cast by members present with each member having one vote. In the event of equal votes, the chair may exercise a second vote as a casting vote.

TRINITY BAPTIST CHURCH

Trustees' Annual Report for the year ended 31 March 2025

Statement of Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the auditor in relation to the Trustees' report is limited to examining the report and ensuring that , the report is consistent with the figures disclosed in the financial statements.

This report was approved by the board of trustees on **23 /01 /2026**.

TRINITY BAPTIST CHURCH
Independent auditor's report
to the members of TRINITY BAPTIST CHURCH

Opinion

We have audited the financial statement of Trinity Baptist Church for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, Statement of Cashflow and related notes as set out on pages 13 to 24. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the charity's members, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in our auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- and the information given in the Trustees Annual Report is consistent with the financial statement.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The trustees have elected for the financial statements to be audited in accordance with the Charities Act 2011 rather than the Companies Act 2006. Accordingly, we have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act.

Our responsibilities is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Notes to the Accounts for the year ended 31 March 2025

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Significant judgement and estimates

The preparation of the financial statements requires the trustees to make significant judgements and estimates when applying accounting policies. The items in the financial statements where these judgements have been made are as follows:

- Impairment

The trustees yearly review the performance of its assets to identify indications of impairment. Where there is evidence of impairment the fixed asset is written down to the recoverable amount and any impairment losses are charged to operating losses. (in the year there were no impairment losses).

- Uncertainty of estimation

The trustees review its estimate of the useful lives of depreciable assets at the end of each reporting year based on the physical situation and the expected utility of the assets. Uncertainties of these estimates relate to escalated wear of some audio and musical equipments. Uncertainties of these estimates are taken into account in writing down the assets to its useful life.

Going Concern

The trustees are aware of the lingering effect of Covid-19 on its resources (as explained below - Risk & future assumptions); but the board is assured that Trinity Baptist Church has adequate resources to continue operations for the foreseeable future as explained below.

The charitable activities are entirely dependent on continuing Tithes & Offerings. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 31 December 2023, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

As stated above, the principal uncertainty currently facing the charity is the impact of the ongoing global Covid-19 outbreak and subsequent stages and resurgence of this virus. The charity raise its funds mostly through the the congregants at church services. The Trustees and the Executive Management Team continue to monitor the outbreak in particular the advice from the UK Government.

The charity continues to mitigate this risk by:

- offering video link sermons to congregants
- providing health and safety environment at church services increasing congregants confidence to worship.

TRINITY BAPTIST CHURCH

Notes to the Accounts for the year ended 31 March 2025

Income recognition

All income is recognised once the Charity has entitlement to the income; it is probable that the income received, and the amount of income receivable can be measured reliably.

Donations are recognised once received. In the event that a donation is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met.

Accounting for deferred income and income received in advance

There are no deferred or accrued income other than Covenant aid -income tax recoverable received after the year end.

Allocating costs to activities

Direct costs that are specifically related to an activity are allocated to that activity. Shared direct costs and support costs are apportioned between activities.

The basis for apportionment, which is consistently applied, and proportionate to the circumstances, is :-

Staffing - on the basis of time spent in connection with any particular activity.

Staffing - on a per capita basis, based on the number of people employed within any particular activity.

Premises related costs - on the proportion of floor area occupied by a particular activity.

Non specific support costs - on the basis of the usage of resources, in terms of time taken, capacity used, request made or other measures considered by the trustees as appropriate.

Estimation techniques used in apportioning costs - the trustees apply what they consider to be reasonable judgements in apportioning costs.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 % straight line
Plant and machinery	15% Reducing balance

A regular annual review of the likelihood of asset impairment is undertaken. (see note above on impairment)

No depreciation is provided on freehold property and improvements because it is the practice to maintain the property in a continual state of sound repair. Accordingly, the life is so long and the residual value so high that the Trustees consider that depreciation calculated in accordance with accepted accounting standards would be immaterial.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors

Creditors for supply of services are measured at transaction price. Other financial liabilities, including bank loans are initially measured at fair value net of transaction costs, and are measured subsequently at amortised costs using the effective rate of interest method.

TRINITY BAPTIST CHURCH

Notes to the Accounts for the year ended 31 March 2025

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the charity, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

The charity has no Designated funds.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

The Bank loan of £1,745,704 and a loan of £256,197 from the Baptist Group are secured on the Church's properties. The trustees are of the opinion that the current market values of the properties, are far in excess of the loans.

The trustees are of the opinion that as the loans are more than covered by marketable properties, the lenders withdrawal will not affect the operations of the charity.

Trustees' Annual Report for the year ended 31 March 2024

Statement of Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the auditor in relation to the Trustees' report is limited to examining the report and ensuring that , the report is consistent with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 10 Jan /2025.

TRINITY BAPTIST CHURCH
Independent auditor's report
to the members of TRINITY BAPTIST CHURCH

Opinion

We have audited the financial statement of Trinity Baptist Church for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, Statement of Cashflow and related notes as set out on pages 13 to 24. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the charity's members, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in our auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- and the information given in the Trustees Annual Report is consistent with the financial statement.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The trustees have elected for the financial statements to be audited in accordance with the Charities Act 2011 rather than the Companies Act 2006. Accordingly, we have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act.

Our responsibilities is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Notes to the Accounts for the year ended 31 March 2024

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Significant judgement and estimates

The preparation of the financial statements requires the trustees to make significant judgements and estimates when applying accounting policies. The items in the financial statements where these judgements have been made are as follows:

- Impairment

The trustees yearly review the performance of its assets to identify indications of impairment. Where there is evidence of impairment the fixed asset is written down to the recoverable amount and any impairment losses are charged to operating losses. (in the year there were no impairment losses).

- Uncertainty of estimation

The trustees review its estimate of the useful lives of depreciable assets at the end of each reporting year based on the physical situation and the expected utility of the assets. Uncertainties of these estimates relate to escalated wear of some audio and musical equipments. Uncertainties of these estimates are taken into account in writing down the assets to its useful life.

Going Concern

The trustees are aware of the lingering effect of Covid-19 on its resources (as explained below - Risk & future assumptions); but the board is assured that Trinity Baptist Church has adequate resources to continue operations for the foreseeable future as explained below.

The charitable activities are entirely dependent on continuing Tithes & Offerings. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 31 December 2023, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

As stated above, the principal uncertainty currently facing the charity is the impact of the ongoing global Covid-19 outbreak and subsequent stages and resurgence of this virus. The charity raise its funds mostly through the the congregants at church services. The Trustees and the Executive Management Team continue to monitor the outbreak in particular the advice from the UK Government.

The charity continues to mitigate this risk by:

- offering video link sermons to congregants
- providing health and safety environment at church services increasing congregants confidence to worship.

TRINITY BAPTIST CHURCH

Notes to the Accounts for the year ended 31 March 2024

Income recognition

All income is recognised once the Charity has entitlement to the income; it is probable that the income received, and the amount of income receivable can be measured reliably.

Donations are recognised once received. In the event that a donation is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met.

Accounting for deferred income and income received in advance

There are no deferred or accrued income other than Covenant aid -income tax recoverable received after the year end.

Allocating costs to activities

Direct costs that are specifically related to an activity are allocated to that activity. Shared direct costs and support costs are apportioned between activities.

The basis for apportionment, which is consistently applied, and proportionate to the circumstances, is :-

Staffing - on the basis of time spent in connection with any particular activity.

Staffing - on a per capita basis, based on the number of of people employed within any particular activity.

Premises related costs - on the proportion of floor area occupied by a particular activity.

Non specific support costs - on the basis of the usage of resources, in terms of time taken, capacity used, request made or other measures considered by the trustees as appropriate.

Estimation techniques used in apportioning costs - the trustees apply what they consider to be reasonable judgements in apportioning costs.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 % straight line
Plant and machinery	15% Reducing balance

A regular annual review of the likelihood of asset impairment is undertaken. (see note above on impairment)

No depreciation is provided on freehold property and improvements because it is the practice to maintain the property in a continual state of sound repair. Accordingly, the life is so long and the residual value so high that the Trustees consider that depreciation calculated in accordance with accepted accounting standards would be immaterial.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors

Creditors for supply of services are measured at transaction price. Other financial liabilities, including bank loans are initially measured at fair value net of transaction costs, and are measured subsequently at amortised costs using the effective rate of interest method.

TRINITY BAPTIST CHURCH

Notes to the Accounts for the year ended 31 March 2024

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the charity, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

The charity has no Designated funds.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

The Bank loan of £1,864,580 and a loan of £332,332 from the Baptist Group are secured on the Church's properties. The trustees are of the opinion that the current market values of the properties, are far in excess of the loans.

The trustees are of the opinion that as the loans are more than covered by marketable properties, the lenders withdrawal will not affect the operations of the charity.

The legal responsibility for the election of new Trustees lies with the Annual General Meeting (AGM). The existing Trustees would normally recommend members/people who have the Charity's interests at heart to the AGM who would duly undertake the necessary voting and subsequent appointments as required.

Trustee/volunteer and other training/seminars are organized periodically for both new and existing Trustees.

All Trustees are updated and given copies of all necessary Church Policies, Procedures and The Constitution of the Church. Copies of other Handbooks including Charity Commission booklets such as CC3, CC60 are also given out to the New Trustees.

The charity's organisational structure.

The church is managed by board of trustees chaired by the Head Pastor.

The day to day activities are managed by the Chief Operating Officer, Senior Pastor and Resident Pastor who report to the Board of Trustees.

The Chief Operating Officer is supported in the day to day duties by three departmental heads: Deacons, Administrative Secretary, and Finance & Projects Officer.

There are various committees (comprising Church members) who are supervised by the Deacons, with the remit of discussing matters of concern at short notice.

The Administrative Secretary is supported by office staffs .

How the charity makes decisions and how decisions are delegated.

The Pastors and the Elders retain oversight responsibility of all church matters. The Trustees are responsible for the Charity.

The Trustees meet every six weeks to discuss and plan the implementation of the charity's objectives and activities. Matters of general concern are duly discussed by the Trustees with church members through periodic Church meetings.

As a spiritual institution, all church matters are firstly, subject to prayer and God's direction with Trustees comprehensively deliberating on matters before implementation. Major decisions at any church meeting are determined by a simple majority vote cast by members present with each member having one vote. In the event of equal votes, the chair may exercise a second vote as a casting vote.

The Chief Executive Officer and other senior management personnel to whom day to day management is delegated

The Chief Executive Officer and other senior members to whom the day-to-day management of the charity is delegated by the Trustees are:

- > Rev Kingsley Appiagyei
- > Rev K.A. Amosah
- Head Pastor and Chief Executive Officer
- Senior Pastor

Setting pay and remuneration of key management personnel

Remuneration of key management personnel is set and approved by the trustees at board meeting.

The key personnel who are remunerated are mostly pastors and they all give top priority the church's values, purposes and objectives above their personal comfort. Remuneration are set consistent with these values and paid Church personnel are content and gratified to accept lower pay in comparison to public or private sector market rates.

In setting the remuneration levels consideration is giving to the following factors also:

- The appropriateness of the pay in the context of the charity and its members needs and expectations.
- Whether the pay is affordable, cognisant of long-term consideration of future income and expenditure levels.

Financial review

The charity's financial position at the end of the year ended 31 March 2023

The financial position of the charity at 31 March 2023 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

TRINITY BAPTIST CHURCH

Trustees' Annual Report for the year ended 31 March 2023

Financial review of the position at the reporting date, 31 March 2023 .

The financial statements are set out on pages 13 to 29

The trustees consider the financial performance by the charity during the year to have been satisfactory. The Statement of Financial Activities show incoming resources for the year of £2,829,812 total resources expended were £1,224,196, and hence the amount of £ 1,745,616 was realised as net surplus.

Total funds at the year end stand at £6,740,779.

During the year, the church disposed off the West Norwood property, 2 Thornlaw Road, Norwood. in the agreement it states that, a fully registered and insured leased hall or cash value of £1.000,000 is to be given to the church.

As the consequences of the disposal of the properties, some old fixed assets were written-off

Specific changes in fixed assets are detailed in the notes to the accounts. There were no revaluations on the Freehold land and buildings.

Policies on reserves.

The reserves are being earmarked chiefly for future building projects to cater for the increasing numbers in the congregation; and also for other undertakings of capital nature.

The total reserves of the charity is £6,740,779 of which £6,709,745 is unrestricted revenue funds. These revenue reserves besides the use stated above , part will be used to service future charitable activities so that the church can deliver its objectives.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Significant events which have affected the financial performance and the financial position.

The outbreak of the global pandemic, and restrictions imposed on crowd gatherings affected the activities of the church to a greater extent. Tithes and Offerings are mostly made at church services therefore, the restrictions affected the income of the church.

> Year ended 31 March 2023 - offerings and donations : £ 1,390,728

> Year to 31 March 2022 - offerings and donations : £ 1,272,819

(an increase of 9.3% in revenue)

The major risks to which the Charity is exposed and reviews and systems to mitigate them.

The Trustees have identified that the principal risk affecting the church is the continued uncertainty relating to Covid-19 which has had an effect on the income received. This risk is being managed or mitigated by our robust internal control systems currently in place to rigorously monitor our controllable cost. All spending on capital items has been paused unless it is to do with health and safety.

TRINITY BAPTIST CHURCH

Trustees' Annual Report for the year ended 31 March 2023

Statement of Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the auditor in relation to the Trustees' report is limited to examining the report and ensuring that , the report is consistent with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 19/01/2024.

TRINITY BAPTIST CHURCH
Independent auditor's report
to the members of TRINITY BAPTIST CHURCH

Opinion

We have audited the financial statement of Trinity Baptist Church for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet and related notes as set out on pages 13 to 24. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the charity's members, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in our auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- and the information given in the Trustees Annual Report is consistent with the financial statement.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The trustees have elected for the financial statements to be audited in accordance with the Charities Act 2011 rather than the Companies Act 2006. Accordingly, we have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act.

Our responsibilities is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Notes to the Accounts for the year ended 31 March 2023

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP); in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Significant judgement and estimates

The preparation of the financial statements requires the trustees to make significant judgements and estimates when applying accounting policies. The items in the financial statements where these judgements have been made are as follows:

- Impairment

The trustees yearly review the performance of its assets to identify indications of impairment. Where there is evidence of impairment the fixed asset is written down to the recoverable amount and any impairment losses are charged to operating losses. (in the year there were no impairment losses).

- Uncertainty of estimation

The trustees review its estimate of the useful lives of depreciable assets at the end of each reporting year based on the physical situation and the expected utility of the assets. Uncertainties of these estimates relate to escalated wear of some audio and musical equipments. Uncertainties of these estimates are taken into account in writing down the assets to its useful life.

Going Concern

The trustees are aware of the lingering effect of Covid-19 on its resources (as explained below - Risk & future assumptions); but the board is assured that Trinity Baptist Church has adequate resources to continue operations for the foreseeable future as explained below.

The charitable activities are entirely dependent on continuing Tithes & Offerings. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 31 December 2023, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

As stated above, the principal uncertainty currently facing the charity is the impact of the ongoing global Covid-19 outbreak and subsequent stages and resurgence of this virus. The charity raise its funds mostly through the the congregants at church services. The Trustees and the Executive Management Team continue to monitor the outbreak in particular the advice from the UK Government.

The charity continues to mitigate this risk by:

- regularly admonishing and supporting congregants to be vaccinated;
- offering video link sermons to congregants
- providing health and safety environment at church services increasing congregants confidence

TRINITY BAPTIST CHURCH

Notes to the Accounts for the year ended 31 March 2023

Income recognition

All income is recognised once the Charity has entitlement to the income; it is probable that the income received, and the amount of income receivable can be measured reliably.

Donations are recognised once received. In the event that a donation is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met.

Accounting for deferred income and income received in advance

There are no deferred or accrued income other than Covenant aid -income tax recoverable received after the year end.

Allocating costs to activities

Direct costs that are specifically related to an activity are allocated to that activity. Shared direct costs and support costs are apportioned between activities.

The basis for apportionment, which is consistently applied, and proportionate to the circumstances, is :-

Staffing - on the basis of time spent in connection with any particular activity.

Staffing - on a per capita basis, based on the number of of people employed within any particular activity.

Premises related costs - on the proportion of floor area occupied by a particular activity.

Non specific support costs - on the basis of the usage of resources, in terms of time taken, capacity used, request made or other measures considered by the trustees as appropriate.

Estimation techniques used in apportioning costs - the trustees apply what they consider to be reasonable judgements in apportioning costs.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 % straight line
Plant and machinery	15% Reducing balance

A regular annual review of the likelihood of asset impairment is undertaken. (see note above on impairment)

No depreciation is provided on freehold property and improvements because it is the practice to maintain the property in a continual state of sound repair. Accordingly, the life is so long and the residual value so high that the Trustees consider that depreciation calculated in accordance with accepted accounting standards would be immaterial.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors

Creditors for supply of services are measured at transaction price. Other financial liabilities, including bank loans are initially measured at fair value net of transaction costs, and are measured subsequently at amortised costs using the effective rate of interest method.

TRINITY BAPTIST CHURCH

Notes to the Accounts for the year ended 31 March 2023

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the charity, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

The charity has no Designated funds.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

The Bank loan of £1,965,742 and a loan of £462,732 from the Baptist Group are secured on the Church's properties. The trustees are of the opinion that the current market values of the properties, are far in excess of the loans.

Also included with other creditors is a loan of £1,441,188 from a private property company. This loan is now settled from proceeds of sale after the year end.

The trustees are of the opinion that as the loans are more than covered by marketable properties, the lenders withdrawal will not affect the operations of the charity.

Trustees' Annual Report for the year ended 31 March 2022

Statement of Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that , on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on *20* /12/2022.

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2022

I report to the Trustees on my examination of the financial statements of the charitable company on pages 7 to 9 for the year ended 31 March 2022.

There were no financial activities during the year therefore dormant account prepared.

Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 5, you, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with the Companies Act 2006, the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited or examined under any legal provision, or otherwise, but you the trustees have opted for independent examination, it is my responsibility to:-

- a) examine the financial statements of the charity under Section 145 of the Act;
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

Independent Examiner's Statement, Report and Opinion

On my examination of the books and records of the charity, I am satisfied that there were no income or activity to be reported for the year, and therefore the dormant account prepared by the trustees accords with the books and records of the charity.

I have completed my examination: and can confirm that:-

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;
