(Charitable Incorporated Organisation)

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2025

Sadaqah Jariyah Rewards (SJR) Foundation is a UK based charitable organisation that delivers projects mainly domestically and other parts of the world. SJR Foundation are a small but growing collective of passionate individuals who share the same vision for a more just, altruistic and sustainable world. What makes SJR Foundation different from other charities is that our patrons are not just one-off donors but long-term subscribers to our vision whose opinions and suggestions of how SJR Foundations funds should be spent are taken into consideration on a monthly basis through devised surveys.

Our main campaign is the SJR's 10PM Campaign which is whereby donors can become members by joining this campaign by way of a regular monthly donation of £10, collected from all members, at the end of each calendar month this entire amount is donated to the chosen cause. At the beginning of the following month 3 causes are presented to the members, a google link is provided for them to vote for the cause they wish to support. Around mid-month the votes are counted and the cause with the most votes is generally the one which receives the entire donations received.

We find and choose causes by listening to our members, the community and both local and international news, through social media by way of what other individuals and charities are promoting. Causes can be anything from a local need that SJR Foundation have identified to co-working with established UK charities and NGOs.

We are on Instagram and Facebook where we promote our work. People are able to find out about what we do and individuals have approached us on how they can get involved. Community organisations have approached us directly upon viewing the success of our previous projects such as the successful free funeral service in Elephant & Castle, at Baitul Aziz Mosque. This project was identified, led and managed by SJR Foundation. It addressed not just a need in the community for a local funeral service but also addressed the staggering cost and stress associated with preparing, transporting and organising a funeral during the most difficult time of a bereaved family having lost a loved one.

OBJECTIVES AND ACTIVITIES

Objectives and Aims

We at SJR Foundation value every life, we believe every person deserves to live a life of dignity and respect. Basic human rights such as food, water, shelter, sanitation, healthcare and education and a life free from fear, injustice and oppression should be enjoyed by all. We believe in justice, equality, autonomy, in sustainable development and caring for the environment, and in working towards empowering individuals and communities to bring themselves out of poverty.

Public Benefit & Statement

The Trustees confirm that they abide by the Charity Commissions guidance on public benefit in complying with Section 17 of the Charities Act 2011 to have due regard to public benefit in meeting its objectives and activities.

For the public benefit the relief of those in need anywhere in the world by reason of youth, age, ill health, disability or social or economic disadvantage in particular but not exclusively by coordinating and developing services such as, the provision of clean water, educational and medical funding, the provision of shelter and such other services for those in need as the trustees may determine. To promote the benefit of people living in rural, socially and economically disadvantaged areas anywhere in the world.

Achievement and Performance

During the year the charity continued to collect donations from the members of public as well as receiving regular monthly donations of £10 per month from our subscribers to support our 10PM Monthly Campaign.

The charity provides social welfare, worship and educational support to the community and promotes social awareness among general public. However, during this year we have found that we had supported and responded to more emergency appeals due to the natural disasters and wars being encountered across parts of the globe.

Our main activities and who we try to help are described below:

FOR THE YEAR ENDED 31ST MARCH 2025

Trustees' Responsibilities

The Law applicable to Charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the Governing Document requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure of the charity for that period. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charity SORP;
- Make judgements and estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the CIO will continue to operate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

1. ACCOUNTING POLICIES

Basis of Preparation & Assessment of Going Concern

Basis of Preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP 2015) (Second Edition, effective 1st January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011.

The Charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Incoming Resources

Recognition of Incoming Resources

These are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability

Incoming Resources with Related Expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resource and related expenditure are reported gross in the SOFA.

Grants and Donations

Grants and Donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax Reclaims on Donations and Gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

Contractual Income and Performance Related Grants

This is only included in the SOFA once the related goods or services have been delivered.

Gifts in Kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SOFA as incoming resources when receivable.

Donated Services and Facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer Help

The value of any voluntary help received is not included in the accounts.

Investment Income

This is included in the accounts when receivable.

Investment Gains and Losses

This included any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

NOTES TO THE FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED 31ST MARCH 2025

1. ACCOUNTING POLICIES (continued)

Expenditure and Liabilities

Liability Recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance Costs

Include costs of the preparation and examination of statutory accounts, the costs of the trustees meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with Performance Conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specified service or output.

Grants Payable without Performance Conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the charity.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Unrestricted funds

These funds can be used for the general objectives of the charity as set out in the trustees report. The movements of the unrestricted funds are given in the Statement of Financial Activities.

Restricted funds

These funds are where the donor has specified a purpose for the donation made. These restrictions often arise as a result of appeals for special offerings for specific purposes.

Designated funds

These funds are funds set aside by the trustees out of unrestricted general funds for particular purposes or projects.

NOTES TO THE FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED 31ST MARCH 2025

12. STAFF COSTS AND NUMBERS

The CIO employed no members of staff during this or the previous financial year.

13. TRUSTEES AND OTHER RELATED PARTIES

No payments were made to trustees or any persons connected with them during this financial period. No material transaction took place between the organisation and a trustee or any person connected with them.

14. RISK ASSESSMENT

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

15. RESERVES POLICY

The Trustees have considered the level of reserves they wish to retain, appropriate to the CIO's needs. This is based on the CIO's size and the level of financial commitments held. The Trustees aim to ensure the CIO will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The Trustees will endeavour not to set aside funds unnecessarily.

16. PUBLIC BENEFIT

The CIO acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the CIO has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the CIO should undertake.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/ members of Sadaqah Jariyah Rewards (SJR) Foundation on the accounts for the year ended 31st March 2025 set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
