The charity's accounts and trustees' annual report are published in full on the Commission's website. If you use the AR21 service, your charity will be processing personal data and in some instances personal data about trustees and beneficiaries. This personal data may be processed in response to the question set in the AR21 service or it may be used to publish the annual report.

Some personal data is required to be included by SORP but other personal data may be included by a charity to show financial performance or governance such as the names and other personal data about trustees, examiners and beneficiaries.

The charity as the data controller is responsible for ensuring that its response in the AR21 service and any personal data included in the report meet its obligations under the General Data Protection Regulations 2016 and the Data Protection Act 1998. You will need to take particular care if you are including personal data about children, or if your charity's trustees have a dispensation from including their name in the accounts.

By continuing to upload the accounts you certify that you have read this privacy notice and are authorising the Commission to process the information.
