In preparing these financial statements, the trustees are required to:

select suitable accounting policies and then apply them consistently;
observe the methods and principles of the Charities SORP (FRS 102);
make judgments and accounting estimates that are reasonable and prudent;
state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed.
