ANNUAL REPORT 2024-2025

DREAM TRUST UK ANNUAL REPORT 2024-2025

Due to health issues experienced by the Chairman, there have been a reduced amount of activities this year. The Dream Trust UK relies on volunteers and volunteer trustees with no paid members of staff.

However, I am pleased to report that we have made progress with the telephone kiosk conversion project in Pinner into a careers noticeboard and community library. A new website about the project pinnerkiosk.co.uk was set up.

The works on converting the red telephone kiosk in Pinner have been completed and was officially opened on 30th March 2025 by actress Louisa Lytton. It is now a thriving community library and information hub.

We are making approaches to individuals with seasoned charitable experience who could form a new board of Trustees.

We are making approaches to potential charitable ambassadors who can use their profile raising abilities to put a spotlight on the work of the Dream Trust and highlights the issues it seeks to resolve.

In addition to these structural changes, The Dream Trust has continued to help young people with access to work experience and internships including:

- Law firms
- Television production companies
- PR/Communications.

Our website has been revamped and I look forward to expanding our management team, board of trustees and portfolio of ambassadors in 2026.

Yours sincerely,
