- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

'To relieve the needs of people with disabilities who depend on a privately trained assistance dog for the public benefit by:

- (a) Providing an independent assessment and accreditation to enable such people to use the assistance dog in accessing public spaces such as supermarkets, restaurants or on public transport with confidence;
- (b) Raising public awareness of the needs of people with disabilities who depend on assistance dogs in public places'.

Nothing in this constitution shall authorise an application of the property of the CIO for the purposes which are not charitable in accordance with section 7 of the Charities and Trustee Investments (Scotland) Act 2005 and section 2 of the Charities Act (Northern Ireland) 2008.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trustees are fully aware of their responsibility to have regard to the public benefit when determining activities to be undertaken. The Objects of the charity are framed around the idea that assistance dog owners and members of the public will benefit from well-trained dogs and education around the needs of those people who depend on assistance dogs. The work of the charity is totally focussed on working to those outcomes.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

During the year, the trustees have undertaken the following:

- Opened assessments up to all disabilities.
- Raised awareness with the Civil Aviation Authority (CAA) and the wider international travel industry about the availability of assessments and specifically the aviation element of our assessment and how it can help ensure wider access to travel for assistance dog owners whilst supporting high quality dog welfare.
- Successfully carried out aviation assessments.
- Promoted the availability of assistance dog assessments to a wide range of people and institutions.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

ADAA continues to grow with an increase in:

- o applications being received.
- o assistance dog teams being assessed.
- o assistance dog teams becoming qualified.
- o assessors supporting ADAA throughout the UK.

Section E

Financial review

Brief statement of the charity's policy on reserves

Our charity does not have a reserves policy.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We have £11,009.95 in a reserve account which will support the expansion of services in future years.
