Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Since opening our doors following the easing of 'Lockdown Restrictions' in England, we have seen a very positive interest in our organisation, from both Children and Adults alike. We have more than achieved in terms of our membership, gaining nearly 30 new Cadets within the space of 3 months. Our membership continues to be at this number with regular new applications made. We have seen great progress in our Cadets, with many having gained great confidence and new skills. There have been occasions where a child have gained a lot within themselves, so much so that this has been fed back to us by parents and school teachers. We have had the backing and support of our Cadets' Parents, with many choosing to help out at our events. In addition, our charity Name is being spread wide within the community, with an emphasis on how we are ready and willing wherever possible to help further within the community.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	For our first year, our financial position was fair, considering we were starting a brand new organisation as well as dealing with the uncertainty of COVID and 'Lockdown Restrictions'. This meant that Grants and other means of raising monies were not available to us. However, due to the generosity of our volunteer team and their families, we were able to raise the funds required to purchase what was needed to begin operations when we were allowed. This meant that we did not fall into any deficit financially
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	We actively state that any monies raised go to providing more to our Cadets. This means subsidising trips and events along with the purchasing of new equipment and sundries to give them a more rounded experience. Any monies held are done so due to the cost of larger future projects, such as minibus maintenance or building maintenance. However, any Cadet and Volunteer part of the ICF can request monies to be spent where the committee feels it is right and appropriate to do so.
Amount of reserves held	Para 1.22	During this financial period, the amount of reserves held was no more than £500.
Reasons for holding zero reserves	Para 1.22	NA
Details of fund materially in deficit	Para 1.24	NA
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We have no concerns regarding the future of the charity, other than the future of any charity reliant on donations as a source so funding
