Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objectives of the church are set out in the CIO document:

1. To advance the Christian Religion for the benefit of the public through the holding of prayer meetings, lectures, public celebration of religious festivals, producing and distributing literature on the Christian Faith to enlighten others about the Christian Religion.
2. To prevent and relieve poverty for the public benefit by providing funds, goods and services in such parts of the United Kingdom or the world as the Trustees from time to time may think.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Currently, the Charity has not been operating. Hopefully in the very near future the Charity will start operation. When the Charity starts operating, our main activities will include:

Christian worship and involvement of various ministries and ministers of Religion in propagating the Christian Tenets of faith to members (and non-members) who seek to develop an understanding of the Gospel through the various meetings provided by the Church. There will also be an extension of the Christian Faith through other direct Community Outreach programmes.

PUBLIC BENEFIT

The Advancement of Christian Faith

The Trustees of the Charity having due regard for the reporting of public benefit provided by the Charity in line with the Charities Act 2011, will be pleased to report that the church will continue its involvement with community focused events and projects providing direct benefit for the public in the UK.
