2. Structure, Governance and Management

Frontline Live is a Charitable Incorporated Organisation governed by its constitution.

The trustees are responsible for strategic direction, financial stewardship, risk oversight and ensuring the charity operates in accordance with its Objects.

Trustees are appointed in line with the CIO constitution and meet periodically to review activity, finances and risk.

The charity operates entirely through trustees and volunteers. It maintains policies covering safeguarding, risk management, internal financial controls, serious incident reporting, conflicts of interest and volunteer management.

3. Objects and Public Benefit**Charitable Objects**

The objects of the charity are, for the public benefit, anywhere in the world, the advancement of health and the relief of need by supporting healthcare and frontline workers, in particular but not exclusively by the provision and maintenance of digital technology to match need and supply for personal protective equipment and to collect and analyse information to promote personal safety.

Healthcare and frontline workers include anyone who works or volunteers to deliver care and services to support health, save lives or relieve need.

Public Benefit Statement

The trustees confirm that they have had due regard to the Charity Commission's public benefit guidance.

During the year, the charity advanced health and relieved need by:

- Delivering medical equipment and clinical consumables to support healthcare provision
- Providing hygiene and essential supplies to relieve hardship
- Maintaining digital infrastructure that supports emergency matching of need and supply

The trustees are satisfied that the charity's activities delivered clear and measurable public benefit.

4. Activities and Achievements

Digital Platform

Frontline Live was established to create and operate a digital platform to match PPE need with supply during the COVID-19 pandemic.

The charity continues to maintain this digital capability and explore how its emergency matching model and playbook can be deployed in future crises.

The platform is supported through in-kind hosting and software services provided by Microsoft, enabling low overhead operation consistent with the charity's Objects.

Humanitarian Impact Delivered

During the year ended 31 March 2025, Frontline Live coordinated the delivery of substantial humanitarian aid to support healthcare and frontline workers operating in sustained emergency conditions.

A total of:

- 11,652 boxes of aid
- 1,085 individual items

were delivered.

Medical Support

A significant proportion of deliveries directly strengthened healthcare provision.

- 45% of all boxed deliveries comprised medical and hygiene consumables
- 57% of individual items were medical equipment and mobility aids

Medical supplies included:

- 1,460 body bags
- 250 boxes of scrubs
- 60 boxes of bandages and dressings
- 40 boxes of syringes
- 1,000 boxes of hygiene and sanitary products

Individual medical items included approximately:

- 540 crutches
- 40 walking frames
- 11 wheelchairs
- 5 medical fridges
- 1 generator

These items strengthened frontline healthcare capacity, supported patient care and contributed to operational resilience in pressured clinical environments.

Relief of Domestic Hardship

Alongside medical support, the charity delivered essential items to relieve hardship and improve living conditions.

This included:

- Nearly 3,000 boxes of domestic hygiene products including nappies
- Approximately 900 boxes of bedding
- 100 mattresses
- 150 items of furniture
- Clothing, footwear and food supplies

This balanced approach reflects the charity's dual focus on advancing health and relieving need.

Volunteer Contribution

The charity remains entirely volunteer-led.

During the year, over 100 volunteers supported the sorting, packing and distribution of goods.

This represents a substantial voluntary contribution and enabled the charity to deliver significant humanitarian impact while maintaining low operating costs.

Efficiency and Stewardship

With total expenditure of £5,096 and delivery of over 12,700 aid units (boxes and individual items combined), the trustees consider that the charity has demonstrated strong stewardship of donated funds and efficient deployment of resources in furtherance of its Objects.

5. Financial Review**Income**

Total income for the year was £16,328 (2024: £10,815), comprising:

- £16,240 from donations and legacies
- £88 from investment income

Expenditure

Total expenditure for the year was £5,096 (2024: £36,247), comprising:

- £4,995 on charitable activities
- £101 on other costs

Net Movement in Funds

The charity recorded a net surplus of £11,232 for the year (2024: £25,611 surplus).

Total funds brought forward were £4,793.

Total funds carried forward at 31 March 2025 were £16,025.

All funds are unrestricted.

The trustees are satisfied that expenditure was applied solely in furtherance of the charity's charitable purposes.

6. Reserves Policy

The trustees maintain reserves to:

- Ensure continuity of operations
- Meet governance and compliance costs
- Respond rapidly to emergency humanitarian need
- Invest in improved digital infrastructure to continue advancing the charity's Objects

As the charity's Objects include the provision and maintenance of digital technology to match need and supply in emergency settings, investment in software capability directly supports its charitable aims.

The trustees consider the year-end reserves of £16,025 to be appropriate given the scale, volatility and nature of the charity's activities.

7. Risk Management

The trustees review risks periodically.

Key risks include:

- Dependence on volunteer capacity
- Funding variability
- Logistics and supply chain disruption
- Geopolitical instability affecting humanitarian operations

The charity maintains a risk management policy and internal controls framework.

No serious incidents were reported during the year.

8. Plans for the Future

The charity intends to:

- Continue supporting healthcare and frontline workers in emergency settings
- Maintain and strengthen digital platform capability
- Explore wider deployment of its emergency matching model
- Build partnerships that enhance rapid humanitarian response capability

9. Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and regulations.

The trustees confirm that this report has been prepared in accordance with the Charities Act 2011 and applicable accounting standards.
