Trustees Annual Report & Statement of Financial Activity for the Period Ended 31 December 2021

1 Activities, Achievements & Performance

1.1 Statutory Declaration

The Trustees confirm that they have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.

1.2 Activities

The charity was incorporated on 14th September 2020. The charity was formed in order to own the title of the land known as Spennithorne Village Green as the existing Spennithorne Village Fund charity (no. 228021) was unable to take ownership due to its structure being that of a fund managed by a trust deed and trustees and not recognised by the Land Registry as a legal entity.

The land known as Spennithorne Village Green was purchased from Yorvik Homes for the consideration of £1 and registered with the Land Registry.

The sister charity (no. 228021) continues to exist, as a second piece of land known as Spennithorne Village Field is held by the charities commission on behalf of its trustees.

The village green has been open to the general public throughout the period. It has been maintained throughout the period by the sister charity which carried out grass cutting and paid the public liability insurance.

In December 2021, a group of villagers approached the charity to see if the green could be used to erect a Christmas Tree for the village. This was agreed subject to the group carrying out the necessary risk assessments and funds. The tree was duly erected.

2 Financial Review

2.1 Principle Sources of Funding and Expenses

The charity exists to hold the title of the piece of land known as Spennithorne Village Green. The piece of land is maintained by the sister charity Spennithorne Village Fund (no.228021). The charity has no income or outgoings.

2.2 Remuneration of Trustees

All Trustees act in a voluntary capacity and receive no remuneration or other material benefits from their services to the Charity.

Out-of-pocket expenses necessarily and reasonably incurred by Trustees are reimbursed at cost.

2.3 Financial Status

The charity's current resources from unrestricted and unrestricted donations are more than sufficient to meet its outgoings for at least next year.

All the indications are that this will remain the case for the foreseeable future.

2.4 Statutory Statements on Liabilities

The Trustees declare that:

- ✓ The charity has given no guarantees where potential liability under the guarantee is outstanding at the date of this statement (eg: any outstanding/ongoing contract or legal undertaking to buy or provide specific services);
- ✓ The charity has no debt outstanding at the date of this statement which is owed by the CIO and which is secured by an express charge on any assets of the CIO (eg: a mortgage on property owned by the charity);

- d) **Fixed Assets**
The charity purchased the land known as Spennithorne Village Green from Yorkvik homes for the consideration of £1.
