OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objects are specifically restricted to the establishment, maintenance and improvement of a museum and heritage centre in the town of Arundel in the county of West Sussex, for the education of the inhabitants of and visitors to the town of Arundel and the surrounding area, and thereby promote interest in:

1. the past, present and future of Arundel and surrounding district
2. its geological and archaeological origins
3. its political, religious and social history, and
4. its agricultural, industrial and cultural development.

The trustees have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to the guidance published by the Charity Commission.

Significant activities

The museum held various fund-raising activities which were run by our team of volunteers.

THE FRIENDS OF ARUNDEL MUSEUM
NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. PRINCIPAL ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Companies Act 2006 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

Preparation of consolidated financial statements

The financial statements contain information about The Friends of Arundel Museum as an individual charity and do not contain consolidated financial information as the parent of a group. The charity has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the charitable company qualifies as a small company.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Costs of generating funds represent the costs of fundraising expenditure. Charitable activities includes the curatorial costs of the exhibition, as well as the administration costs of the charity. Governance costs are those costs that meet the constitutional and statutory requirements of the charity. Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life:

Leasehold property	2% on cost
Furniture fixtures & fittings	10% on net book value
Office equipment	25% on net book value

No depreciation has been charged on freehold property, as in the trustees' opinion, the residual value is in excess of cost.

Fixed assets are stated at cost less accumulated depreciation. The cost of minor additions below £500 are not capitalised.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
