How the charity is constituted (eg. trust, association, company)	CIO
Trustee selection methods (eg. appointed by, elected by)	Appointed by existing Trustees

### Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

Advancing education for the public benefit by the provision of a school for children aged 5 to 18 in the district of Siwan, Bihar, India.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Provision of a school building, furnishings, teaching staff, teaching resources and school bus.

The school provides employment for 5 teachers (including the principal) from the local area and a part-time graduate adviser, as well as a driver for the school bus and a school cleaner.

One of the teachers is an IT student (part-time), who will graduate at the end of March 2026. He supports the teachers and the pupils very effectively in developing their IT skills. The school now has 6 laptops donated from the UK and taken to the school by Trustees on visits to the school.

The school serves a mixed community of Muslims and Hindus and provides a fully inclusive education to children in the locality, regardless of their gender, class, caste or religion.

The Trustees have had regard to the guidance on public benefit issued by the Charity Commission and are all fully committed to ensuring that this is upheld.

**Additional details of objectives and activities (Optional information)**

There is one young graduate (BA in English) who lives locally and who volunteers for two hours a week on Saturday mornings. She supports the work of the teachers in their teaching of English and works with the pupils in the classroom.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

The Charity improvements made in the school building by the addition of a reception area and school office, have continued to enhance the experience of parents and visitors and support the administrative functions of the staff and principal.

The number of pupils in attendance is now 90 and a third ground floor classroom is currently under construction, with an expected completion date of July 2026. This will provide the additional space needed to accommodate the increase in pupil numbers. The age range of pupils is now from 4/5 to 9 years.

The school continues to have a very positive reputation in the locality, and is seen as innovative and a place where pupils thrive.

The curriculum includes IT, science, maths, reading and writing in Hindi and local languages, and English in the form of speaking and listening, reading and writing. No other local primary schools include IT, English or science in their curriculum.

The science includes learning about the solar system and plant growth and study of local plants and plant life-cycles. We have been fortunate to receive support from The Commonwealth Association of Science, Technology & Mathematics Educators (CASTME), which links science, technology, engineering and mathematics (STEM) educators across the Commonwealth. CASTME partners with Findel International Education Resources to sponsor annual awards, and in both 2022 and 2023 the TDEC was awarded prizes in the Community (2022) and Education (2023) categories. The prizes have provided £200 worth of science equipment, including hand held magnifiers and magnets, and measuring equipment - jugs, weighing scales, a trundle wheel and a window thermometer – plus some lovely posters showing the life cycle of a plant, and an 'Intro to Structures Bridges Set'. All of this was taken to the school (March 2024) to develop and support the emphasis on practical work – using the equipment, growing seeds, and looking at gravity, magnetism etc. in the context of play. In an extended visit to the school in April 2024 the chair of the trustees, who is a physics graduate and retired teacher trainer in the UK, worked with the teachers to develop their skills in all of these aspects of science teaching. This kind of approach to teaching science is new in terms of education in this part of India, where rote learning is the default in both private and state schools.

In addition, the children are beginning to have some experience of using the donated laptops to learn keyboard skills and we expect IT skills to be developed further in the coming academic year.

Maths is based on the English National Curriculum with a focus on counting, place value, number bonds and relationships, and e.g. understanding commutativity and associativity for addition and multiplication.

The Tetara Debi Academy continues to support poorer families in the community by keeping fees to a minimum, and in cases of hardship, fees for children are waived. At present, 20% of the pupils pay no fees. A school bus, funded and owned by the Charity, is used to ensure that, where appropriate/necessary, pupils are safely transported from home to school and back again. The bus is fully paid for and the Charity provides the funds to maintain the vehicle and employ the driver.

The Charity is funded entirely from donations and occasional fund-raising activities. Regular monthly donations have increased again in the last twelve months with contributions from friends and family of the Trustees, and the Trustees themselves.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

No reserves held.  
All incoming funds have been held in the current account.  
All financial commitments have been met and the account is in credit.

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Charity continues to be funded entirely from regular small donations and occasional larger donated sums, from friends of the Charity. Regular monthly donations are sufficient to cover the day-to-day running costs of the school, including salaries, classroom resources and general maintenance. Some larger one-off donations have funded the building of an additional classroom, expected to be completed in summer 2026.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

Advancing education for the public benefit by the provision of a school for children aged 5 to 18 in the district of Siwan, Bihar, India.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Provision of a school building, furnishings, teaching staff, teaching resources and school bus.

The school provides employment for 5 teachers (including the principal) from the local area and a part-time graduate adviser, as well as a driver for the school bus and a school cleaner.

The school serves a mixed community of Muslims and Hindus and provides a fully inclusive education to children in the locality, regardless of their gender, class, caste or religion.

The Trustees have had regard to the guidance on public benefit issued by the Charity Commission and are all fully committed to ensuring that this is upheld.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

There are two young graduates who live locally and who volunteer for around four hours a week each on average. They support the work of the teachers and in particular are able to help children in developing basic IT skills. The school now has 5 laptops donated from the UK and taken to the school by Trustees on visits to the school.

**Summary of the main achievements of the charity during the year**

The Charity improvements made in the school building by the addition of a reception area and school office, have continued to enhance the experience of parents and visitors and support the administrative functions of the staff and principal.

The number of pupils in attendance remains above 80, and the school continues to have a very positive reputation in the locality. It is seen as innovative and a place where pupils thrive.

The curriculum now includes science, maths, reading and writing in Hindi and local languages, and English, mainly spoken with a little reading and writing

The science includes learning about the solar system and plant growth and we are introducing some study of local plants and plant life-cycles. We have been fortunate to receive support from The Commonwealth Association of Science, Technology & Mathematics Educators (CASTME), which links science, technology, engineering and mathematics (STEM) educators across the Commonwealth. CASTME partners with Findel International Education Resources to sponsor annual awards, and in both 2022 and 2023 the TDEC was awarded prizes in the Community (2022) and Education (2023) categories. The prizes have provided £200 worth of science equipment, including hand held magnifiers and magnets, and measuring equipment - jugs, weighing scales, a trundle wheel and a window thermometer – plus some lovely posters showing the life cycle of a plant, and an 'Intro to Structures Bridges Set'. All of this has all been taken to the school (March 2024) to develop and support the emphasis on practical work – using the equipment, growing seeds, and looking at gravity, magnetism etc. in the context of play. This kind of approach to teaching science is new in terms of education in this part of India, where rote learning is the default in both private and state schools.

In addition, the Trustees have taken donated and refurbished laptops to the school and the children are beginning to have some experience of using these to learn keyboard skills.

All of this equipment is really supporting our approach and helping the teachers to develop their own understanding too, as they work with the children

Maths is based on the English National Curriculum with a focus on counting, place value, number bonds and relationships, and e.g. understanding commutativity and associativity for addition and multiplication.

In March 2024 the Chairperson of the Trustees visited India and spent several weeks at the school. On this extended visit he worked with and supported the teachers on all of these things, running after-school training sessions which the teachers welcomed and enjoyed! As a retired Ofsted Inspector and Head of the Science Education Department at a University Teacher Training institution, his expertise was invaluable.

The Tetara Debi Academy continues to support poorer families in the community by keeping fees to a minimum, and in cases of hardship fees for children are waived. A school bus, funded by the Charity, is used to ensure that, where appropriate/necessary, pupils are safely transported from home to school and back again. The bus is fully paid for and the Charity provides the funds to maintain the vehicle and employ the driver.

## Section D

## Achievements and performance

The Charity is funded entirely from donations and occasional fund-raising activities. Regular monthly donations have increased again in the last twelve months with contributions from friends and family of the Trustees, and the Trustees themselves.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

No reserves held.  
All incoming funds have been held in the current account.  
All financial commitments have been met and the account is in credit.

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Charity continues to be funded entirely from regular small donations and occasional larger donated sums, from around 30+ friends of the Charity. These donations are sufficient to cover the day-to-day running costs of the school, including salaries, classroom resources and general maintenance. However, at the present time the school is at capacity in terms of the space available for pupils and there is an urgent need to raise some capital funds to support the next phase of the building programme. This will be the focus of the next twelve months.

## Section F

### Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

Advancing education for the public benefit by the provision of a school for children aged 5 to 18 in the district of Siwan, Bihar, India.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Provision of a school building, furnishings, teaching staff, teaching resources and school bus.

The school provides employment for 5 teachers from the local area and employs a driver for the school bus.

The school serves a mixed community of Muslims and Hindus and provides a fully inclusive education to children in the locality, regardless of their gender, class, caste or religion.

The Trustees have had regard to the guidance on public benefit issued by the Charity Commission and are all fully committed to ensuring that this is upheld.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

The Charity has improved the school building by the addition of a reception area and school office, enhancing the experience of parents and visitors and supporting the administrative functions of the staff and principal.

The number of pupils in attendance has increased to just above 80, and the school is gaining a very positive reputation in the locality. It is seen as innovative and a place where pupils thrive. An additional class has been created to accommodate the increase in pupil numbers

The Tetara Debi Academy supports poorer families in the community by keeping fees to a minimum, and in cases of hardship fees for children are waived. A school bus, funded by the Charity, is used to ensure that, where appropriate/necessary, pupils are safely transported from home to school and back again. The bus is fully paid for and the Charity provides the funds to maintain the vehicle and employ the driver.

The Charity is funded entirely from donations and occasional fund-raising activities. Regular monthly donations have increased in the last twelve months with contributions from friends and family of the trustees.

**Section E****Financial review****Brief statement of the charity's policy on reserves**

No reserves held.  
 All incoming funds have been held in the current account.  
 All financial commitments have been met and the account is in credit.

**Details of any funds materially in deficit**

None

**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

**Section F****Other optional information****Section G****Declaration**

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

## Trustees' Annual Report for the period

From **01/04/2021** Period start date To **31/03/2022**  
Period end date

Charity name: **Tetara Debi Education Charity**

Charity registration number: **1191287**

## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	Advancing education for the public benefit by the provision of a school for children aged 5 to 18 in the district of Siwan, Bihar, India.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Provision of a school building, teaching staff, teaching resources and school bus.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees have had regard to the guidance on public benefit issued by the Charity Commission and are all fully committed to ensuring that this is upheld.

### Additional information (optional)

You may choose to include further statements where relevant about:

	SORP reference	
Policy on grant making	Para 1.38	
Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	

Other		

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Charity has extended the school building by an additional classroom and the school has provided reception and first year primary classes for more than 40 pupils. The school supports poorer families in the community by keeping fees to a minimum, and in cases of hardship fees for children are waived. A school bus, funded by the Charity, is used to ensure that, where appropriate/necessary, pupils are safely transported from home to school and back again. The bus was purchased on a monthly payment plan and has now been fully paid for.

### Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	Growth of pupil numbers has been slower than anticipated, largely due to an exceptionally wet monsoon season which forced school closures across the District for more than two months. Following closures there is always a need to reinvigorate pupil attendance.
Performance of fundraising activities against objectives set	Para 1.41	A small number of unexpected fundraising appeals by supporters have generated some welcome funding.
Investment performance against objectives	Para 1.41	
Other		

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	All financial commitments have been met and the account is in credit.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	No reserves held
Amount of reserves held	Para 1.22	None
Reasons for holding zero reserves	Para 1.22	All incoming funds have been held in the current account.
Details of fund materially in deficit	Para 1.24	None
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None

### Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	Donations from individuals.
Investment policy and objectives including any social investment policy adopted	Para 1.46	
A description of the principal risks facing the charity	Para 1.46	The main challenge is raising sufficient funds to meet the monthly and day-to-day running expenses of the school.
Other		

## Structure, Governance and Management

Description of charity's trusts:		
Type of governing document (trust deed, royal charter)	Para 1.25	Constitution
How is the charity constituted? (e.g unincorporated association, CIO)	Para 1.25	CIO
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	Apart from the first Charity Trustees, every trustee must be appointed by a resolution passed at a properly convened meeting of the Charity trustees. The charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

### Additional information (optional)

You may choose to include further statements where relevant about:

Policies and procedures adopted for the induction and training of trustees	Para 1.51	
The charity's organisational structure and any wider network with which the charity works	Para 1.51	
Relationship with any related parties	Para 1.51	
Other
