

Overdrive Education Charity No

**Trustee's Annual Report for the year ended
31st March 2024**

The Charity was created with the aim of education and training for young people in the progression towards or gaining vocational qualifications to prepare, assist or enable them to be employed or engaged in a career connected to the motor vehicle repair industry or road transport industry.

The continuation of the fall out from the cost of living crisis meant that no activity was possible in the reporting period. Activity since the end of 2023 has been similar in that the cost of living crisis has prevented the organisation from carrying out it's charitable aims.
