Objectives: The object of Hope of Glory Mission (HGM) is to advance the Christian faith for the public benefit, in accordance with the statement of faith, in particular but not exclusively, spreading the Gospel of the Lord Jesus Christ throughout the world and, such other charitable purposes as shall, in the opinion of the trustees, put into practice the Christian faith in accordance with the statement of faith, including but not limited to: the prevention & relief, hardship & sickness and the advancement of education.

Activities:

The HGM helps member churches in Sri Lanka:

- . to preach the gospel in every Sunday Services and other prayer meeting
- . to organise gospel meetings
- . to visit local people with the good needs of the Lord Jesus
- . to help and support the needs of the believers and the local community

Member churches:

Church in Devon – Central Province

Church in Venture – Central Province

Church in Karadipooval – Eastern Province

Grace & Truth Church – Northern Province

Gospel Grace Church in Mulankavil – Northern Province

Gospel Grace Church in Eachchalavakkai – Northern Province

The good news of the Lord Jesus was preached in all Sunday Services and other evangelistic meetings through the missions regions across 2023. The pastors were encouraged to visit and engage with their local communities and where possible help them as much as they can along with sharing the good news of Jesus Christ.

Throughout the early months of the year there was much activity across the mission with Sunday services seeing an increase in attendees and in many cases running out of space which in many ways is an excellent problem to have.

The various Easter gospel outreaches were well attended across the churches with many visitors for the Good Friday and Easter Sunday services. Many local people came and heard the gospel and the pastors were able to follow up and make contact with them shortly afterwards.

In Eachchalavakkai in the Northern Province in May the mission was able to fund the supply of dry food items such as rice, lentils, sugar, flour, noodles, biscuits, and vegetables to local communities severely affected by the cost of living crisis and economic conditions.

In June free English classes began in Wattegoda tea estate with 15 adults and 18 children attending. The classes were led by a local believer and have continued to grow in popularity allowing the local pastor to start a regular prayer meeting in the region as a result of the contacts made. The classes continued throughout the rest of the year. An area of land is being assessed to build a small unit on to accommodate more adults and children to take the lessons.

At the close of the year various Christmas gospel outreaches went well and the weather was good enough to be able to take place. 160 people attended a service in Devon in the Central Province, 120 in Venture and in Koorai in the Northern Province many children were able to worship and hear the Christmas message.

The Mission Gathering in the UK May allowed the Trustees to appraise and update the congregation on the many outreach programmes across the Mission and we were joined online by the pastors whom also spoke. There was also an opportunity for the Chairman to provide an update on his mission visit. The meeting was well attended and all were encouraged by the reports.

Mission Trip

The chairman visited all churches during July and August and preached God's word. He and his family visited all the regions, pastors and congregations across the mission and preached at three churches in the Eastern Province, Venture and the Northern Province. Veeman was also able to visit the village Koorai and local schools. He also visited some locals and shared the good news of Jesus.

A hugely encouraging year of seeing much gospel outreach.
