Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To relieve by any charitable means to those suffering from, or at risk of suffering from, Anorexia Nervosa, Bulimia Nervosa, Binge eating, compulsive eating or any other eating disorder by providing support, information & advice.
2. To advance education to the general public about any eating disorders by providing training to professionals, information to schools & the wider community to raise awareness & prevention measures where possible.

3. The preservation & protection of the physical & mental health of families, carers & anyone else affected by those suffering from any eating disorder by providing information, advice & support.

In this financial year we had real issues with finding and keeping volunteers who were strong enough in their own recovery to support others, so haven't been able to conduct any of our objectives. We felt it wouldn't be safe to have just one person running the charity this year.

Additional details of objectives and activities (Optional information)
