Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.		<p>Unveiling Voice began the year as many others. Unveiling Voice overcame the lockdown and has been holding physical meetings since June 2022. However, due to the impact of COVID-19 and the current global financial situation, Unveiling Voice is still meeting its objectives, although not as expected.</p> <p>Unveiling Voice has played a significant role since the beginning of this global economic crisis by providing counselling assistance, encouragement, providing meals for the homeless and directing people to where they could receive further help.</p> <p>Due to the high cost of materials and services, we primarily relied on social media—specifically, Zoom, FaceTime, and MS Teams—to deliver training and leadership skills to those in need. We started physical meetings in November 2023.</p> <p>The year under review has witnessed encouraging and remarkable results, as it has benefited and continues to benefit society, especially through the football training organised for children and young adults (7–21 years of age). The volunteers got involved with Foodbank, in Partnership with Sainsbury's Supermarket, to supply pre-packed food to those in need and the homeless.</p>
