Hope and Future Worldwide Annual Report 2024-2025

About Us

As it is known, anger, rage and violence are increasing uncontrollably every passing day.

Unfortunately, women and children are the ones who suffer the most from this.

Violence goes down to childhood. Our association, which was established by focusing on the solution of this problem, has started its studies with supportive education for 9-12 age groups and parents in well-established educational institutions and has achieved very successful results.

The aim of my program of growing up with awareness and raising children with awareness is to prepare a peaceful future far from all kinds of violence by replacing negative emotions with positive emotions. Because children are our hope and future.

The return of our project, which we have prepared by working with psychologists, child development specialists and experienced teachers for a long time, is positive and successful.

Our vision is to reach more children and parents in the future and plant the seeds of goodness for a peaceful future without violence.

Gulay Yilmaz,

Chair

INDEPENDENT EXAMINER'S REPORT TO TRUSTEES OF HOPE AND FUTURE WORLDWIDE

I report on the accounts of the charity for the period ended 31 May 2025 which are set out on pages 7 to 15

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment Act 2005 and the Charities Accounts Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention other than disclosed below.

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations

- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

1.3 Incoming resources

All incoming resources are included in the Statement of financial activities when the charity has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Donated services or facilities, which comprise donated services, are included in income at a valuation which is an estimate of the financial cost borne by the donor where such a cost is quantifiable and measurable. No income is recognised where there is no financial cost borne by a third party.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled, Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention other than disclosed below.

1. which gives me reasonable cause to believe that in any material respect the requirements:

**HOPE AND FUTURE WORLDWIDE
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2024**

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), 'Accounting and Reporting by Charities' published in March 2005 and applicable accounting standards.

1.2 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

1.3 Incoming resources

All incoming resources are included in the Statement of financial activities when the charity has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Donated services or facilities, which comprise donated services, are included in income at a valuation which is an estimate of the financial cost borne by the donor where such a cost is quantifiable and measurable. No income is recognised where there is no financial cost borne by a third party.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Achievements

We met Enfield Mayor Mrs.Suna and all information was given about the association.

Mayor Suna, who was impressed by the project of the association, decided that the next meeting to introduce the mission and vision of the association would be hosted by the Enfield Municipality. (February 2024)

Turkish Ambassador Osman Koray Ertaş was visited and information was given about the association's project. The association also stated that they will support the project and make an announcement to the schools and has joined the Ambassador's protocol list.

Baroness Meral Hussein invited us to House of Lords Women's Platform UK for the Tackling Gender Inequality event.

We also attended the Youth Initiatives on Gender Inequality event at the Middlesex University in London.

In the Charing Cross Library, the subject "Women say violence is coming" by Expert Psychologist Senay Canbek was explained to the public with slide shows and the solutions to prevent violence were emphasized one by one.

TV - Radio in Anatolia; "Adaptation Problems of Immigrant Women" also done.

Psychologist Gülnihal Avcioğlu. An attempt has been made to explain it in terms of guidance and care by the founding president of the Association, Gülay Yılmaz, the Association manager, Lawyer Kezban Alan, and the social worker.

Limosol Association President Arife Ratvan prepared a one-hour special program for the Hope and Future charity with the Founding President Gülay Yılmaz about the subject's work.

Olay Newspaper; They have supported the association since its establishment, three times reported about the purpose of the association, published the invitation for the association's meeting on January 19 on their Instagram and Facebook pages and stated that they will attend the meetings.

Avrupa Newspaper reported on the mission and Vision of the Association. And they announced that they would come for the introductory meeting on January 18.

Enfield Municipality has made an announcement about the Project that will say no to all kinds of violence of the Association.

Schools and associations were visited and detailed information was given about the project.

Parents were informed about the project by attending school official or special celebration days.

The project of the association was explained in detail by making presentations with the invitations of institutions affiliated with the municipalities.

Child development friends attended courses opened by institutions. Trial lessons were given in a few schools.

We met one-on-one with young mothers-to-be and discussed raising their children in new formats with awareness.

We hold some of our meetings in cafes close to schools; Parents who were waiting for their children after school were invited to our meeting and their opinions and suggestions were received.

In some schools, chat about the association with parents waiting for their children in front of the school,

WHAT WE WILL DO NEXT

Hope and Future has set out to be innovative and bold in the future for a more peaceful world.

In today's world, violence and all kinds of violence against women have increased and unfortunately have become unpreventable.

Unfortunately, the calls for help from governments and municipalities, or rather all institutions, have remained unanswered, and all kinds of violence has gradually increased and sadly, it has even reached children in their teenage years.

In fact, from a realistic perspective, they stepped in after the municipalities, through their highly appreciated governments, sought a solution, that is, after the woman was injured, lost her arm or lost her eye with chemical drugs. That is, either in the middle or at the end.

Isn't this too late?

So, what is the answer to the question?!

Educating me at an early age will root out all this. Because the tree bends when it is wet.

Hope And Future Association has undertaken this task as the pioneer of change.

How Does?

Here is the solution: -

With a strong team consisting of expert teachers, child development experts, academicians, art psychologists and awareness training with a different discipline.

"Emotion Management" for children with drama technique: -

-Mental Exercises

-Behavioural Strategies

-If we substitute empathy, sympathy, respectful love, egalitarianism, non-otherizing, non-discriminatory, fair and conscientiousness instead of anger, rage and violence with informational strategies, why would we not be successful?

With supportive education after school, together we can create a peaceful and liable world for our future, free from violence.

At the same time with the children, the parents will try to explain child raising with new formats, drama and artistic techniques with awareness, so that the changes of the children at home will be observed and whether progress has been made will be monitored. Holistic success will be achieved with this complementary education

Hope and Future's second Project is to facilitate the integration of immigrant women into the country they come from.

We know, Language barrier and lack of computer knowledge or the inability to use its capabilities are the biggest difficulties for refugees.

We can overcome these too.

How Does?

Complete the missing trainings

English courses by level

Entrepreneurship course

Makeup course

Quality control course

We can start, with our teachers who are experts in their fields, our artists, and our friends who have experienced a successful company starting from scratch.

IN CONCLUSION; Hope and Future Worldwide, bold innovator
We will achieve this with our strong team in the future and with courageous
rational steps.

He believes that he will succeed.

A mother who has gained financial independence raises happy and problem-
free children.

Because a happy mother, a happy child and family, a happy family, a happy
society, a happy society, a happy world.

Future plan

The charity is planning to apply for grants and continue raising awareness of
their activities by engaging with local networks in Enfield and the surrounding
borough. Trustees and volunteers will take opportunity in attending free
training through the local CVS in Enfield and will seek capacity building
support with development workers

WE CAN BUILD THIS TOGETHER.

Signed on behalf of all members,

Mrs Gulay Yilmaz
