TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2024

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year ended 31 July 2024. The charity operates as an independent specialist college, for students aged 19 to 25 with profound and multiple learning difficulties or complex medical needs and physical disabilities. The college has 29 (2023: 35) students on roll at 1 September 2023.

STRUCTURE, GOVERNANCE AND MANAGEMENT**Constitution**

The College is a company limited by guarantee with no share capital (Registration Number: 11188465) and is an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the College. The trustees of Victoria College are also the directors of the charitable company for the purposes of company law. The charitable company is known as Victoria College.

Details of the trustees who served during the year except as noted are included in the Reference and Administrative Details on page 3.

Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

Victoria College has in place directors and trustee's liability insurance indemnity cover to a limit of £5m.

Method of Recruitment and Appointment or Election of Trustees

There are clearly defined and approved procedures for the selection and appointment of trustees which are outlined in the company's Articles of Association. These include application, shortlisting and interview procedures. Consideration is given to the skills of trustees which would enhance the effectiveness of the trust.

With regard to trustees, procedures are in place for nomination and election of the trustees.

Policies and Procedures Adopted for the Induction and Training of Trustees

Newly appointed trustees are provided with information about their role as trustees and basic information about the college and the governing body. A range of training is also offered to trustees each year. Training undertaken will depend on their experience.

Organisational Structure

The structure consists of two levels: the trustees and the Senior Leadership Team. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the college through the use of budgets and making major decisions about the direction of the college, capital expenditure and staff appointments.

The Senior Leaders are the Executive Headteacher, the Head of College and the Chief Finance Officer. These leaders control the college at an executive level, implementing the policies laid down by the trustees and reporting back to them. As a group, the Senior Leaders are responsible for the authorisation of spending within agreed budgets and the appointment of staff.

Arrangements for setting pay and remuneration of key management personnel

When setting pay for key management personnel, the College considers the latest College Teachers' Pay and Conditions provisions. In doing so, it considers the permanent responsibilities of each role, the specific challenges to each role as well as all other relevant considerations. One such element of this is the number of students that the College is responsible for. This incorporates the learning needs of students within the College.

The pay of key management personnel also reflects the performance of each member of staff on an annual basis.

The College will continue to use external national and sub-national benchmarking analysis to compare its pay structure against that of other schools and colleges as it has done in the past.

Connected Organisations, including Related Party Relationships

The Federation of Cherry Oak School and Victoria School are organisations connected to Victoria College.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2024 (cont'd)**OBJECTIVES AND ACTIVITIES****Objects and Aims**

The College Trust's objects are specifically restricted to the following: -

- (a) to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a College offering a broad and balanced curriculum for students with profound and multiple learning difficulties;

To achieve this, the college identified the following priorities for the year:-

- to ensure that all students develop their communication skills so that they can influence the people with whom they interact, take part in community enrichment and promote their health and wellbeing.
- to ensure that all students receive a broad and balanced education which facilitates community enrichment and work experience opportunities.
- to ensure that all students receive a holistic education that supports their communication, cognition, independent living skills, community enrichment, health and employment awareness.
- to develop the learning-centred leadership skills of all staff and trustees to a consistently outstanding quality.
- to monitor the recently developed baseline assessment to enable teachers to use this information for informed target setting.
- to monitor the impact of the developments of the RPSHE curriculum and embedded use of behaviour risk reduction plans to support students to develop self regulatory skills to reduce some behaviours.
- to monitor the digital platform, WE TRACK ME to record evidence of progression for each student.
- to ensure the students are safe in college and beyond, through informed and trained staff in both safeguarding and health and safety.

Principal Activities

At Victoria College, we work in partnership with young people, parents and carers to ensure that every student will:

- enjoy high quality learning opportunities.
- feel challenged and inspired to participate in their learning
- become confident, enterprising, creative learners, ready for adult life.
- become fully-rounded and responsible citizens, making a positive contribution to the College and their community
- feel safe, happy and healthy.

Objects, Strategies and Activities

To meet these priorities the college has adopted a number of strategies and activities that include: -

- to ensure that all students make progress towards the adult outcomes identified in their Education Health and Care Plans (EHCPs)
- to ensure that the learning and teaching model used at the College engages all learners and encourages active participation.
- to ensure a coordinated approach to the continuing development of self-regulation to enable learners to manage their behaviour effectively.
- to ensure provision is personalised to the needs of all learners.
- to ensure consistently outstanding pastoral care.
- to ensure high quality schemes of learning to deliver quality teaching with a clear focus on developing holistic learning and preparation for experiences beyond College.
- to ensure there is appropriate intervention, provision and support for learners to enable all to experience success.

STRATEGIC REPORT**Achievements and Performance**

Victoria College is a Specialist Post 16 Institution (SPI) having previously been under Local Authority control. The college remains a vital part of the Cherry Oak and Victoria School Federation and we continue to work closely together.

Priorities Going Forwards - Federation

- ensuring that the Federation continues to work together to provide the best outcomes for students and staff;
- supporting budgetary control through Federated support services.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2024 (cont'd)**Priorities Going Forwards - Federation (cont'd)**

- to review and update the Federation's Mission, Vision and Values statement with stakeholder support, so that it reflects the work across all settings;
- build resilience for the future of the Federation by arranging mutually beneficial training for all stakeholders on a number of local and national initiatives.

Key Performance Indicators

The trust established a financial budget at the start of the year and then monitored performance against budget during the period. Considerable work is undertaken in forecasting to ensure the continued financial viability of the college. Trustee's play a key role in holding the Senior Leadership Team to account in key financial matters.

	2024	2023
Student numbers	33	37
Staff costs as a % of revenue income received from ESFA	213%	262%
Staff costs as a % of total revenue grant income	66%	74%
Staff costs as a % of total costs	73%	76%
Capital expenditure per student	£1,181	£919

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the College has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting policies.

FINANCIAL REVIEW**Overview**

The principal source of funding for the college is Element 1 & 2 High Needs Funding from the ESFA and element 3 'top-up' funding which is received via the relevant local authority.

Most of the college's income is obtained from the ESFA and the local authorities in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received during the year ended 31 July 2024 and the associated expenditure are shown as restricted funds in the statement of financial activities.

During the year ended 31 July 2024, total expenditure of £1,431,000 (2023: £1,389,000) was less than the recurrent grant funding from the ESFA and other incoming resources, resulting in a surplus before transfers for the year of £186,000 (2023: £95,000 surplus).

At 31 July 2024 the net book value of fixed assets was £70,000 (2023: £59,000) and movements in tangible fixed assets are shown in note 12 to the financial statements. The assets were used exclusively for providing education and the associated support services to the students of the College.

Some of the staff at Victoria School who will be employed at Victoria College have not yet had their employment rights transferred over under Transfer of Undertakings (Protection of Employment) Regulations 2006. As a result, the Local Government Pension Scheme liability for the proposed employees has not yet been transferred.

Financial and Risk Management Objectives and Policies

The Trust's financial and risk management objectives are documented in its:

- Official budgets
- Scheme of delegation
- Financial regulations
- Risk management policy

These documents are available on request, and particular items which warrant specific disclosure are noted within this annual report.

Reserves Policy

The trustees review the reserve levels of the college annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

- planned capital expenditure;
- improve the quality of learning and social spaces within the college;

TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2024 (cont'd)**Reserves Policy**

- planned SPI conversion costs;
- forecast increases in employer contributions to the Local Government Pension Scheme.

Reserves as at 31 July 2024 were £654,000 (2023: £500,000)

Financial Position

The college held fund balances at 31 July 2024 of £750,000 (2023: £564,000), comprising £569,000 (2023: £425,000) of restricted funds, £96,000 (2023: £64,000) of fixed assets funds and £85,000 (2023: £75,000) of unrestricted general funds.

Investment Policy

All investments are made in accordance with the policy of the trust. The trust's policy on investments are one of minimum risk with all investments being held with the trust's bankers. The trust will nevertheless seek to maximise interest receipts within this arrangement. Investments are made with regard to Charity Commission guidance in relation to investments.

PRINCIPLE RISKS AND UNCERTAINTIES

The board has considered the risks faced by the trust throughout its normal operational business. It has sought to address the risks faced by the trust by establishing appropriate governance and management arrangements, including the appointment of senior staff and other managers, and establishing robust operational policies. The board considers that these arrangements have been effective throughout the period being reported.

The board intends to build on this success by establishing a formal risk management policy, which will formally document the managerial action that is taking place, and should enable future risk management to be more systematic.

At the time of reporting, the trust's identified key risks are:

- the risk of reduced student numbers and therefore income;
- loss of personal and sensitive information;
- changes to rules and regulations;
- the risk of national and local funding reductions;
- the future financial position of the LGPS pension scheme; and
- the risk of unforeseen building maintenance costs.

Mitigating action, both current and planned, has been identified to address these risks. This is also true of all other risks that have been formally identified which have a lower level of impact and/or likelihood.

Risk Management

The major risks to which the College is exposed have been identified on the college's Risk Register. Trustees have reviewed the risks to which the College is exposed and systems and procedures have been put in place to manage these.

Fundraising

Under the provisions of the Charities (Protection and Social Investment) Act 2016 the college approach to fundraising practices is from time to time, the college will run fundraising events to raise money for other charities or for the college itself. The college does not work with any professional fundraisers but does make payment for the services of a Fundraiser employed by Victoria School.

No donations are compulsory from students or parents/carers for any fundraising event and there is the right to opt-out for any event. The college has a complaints policy which is publicly available on the college website to ensure any concerns can be reported.

Plans for Future Periods

The college will continue to closely monitor local and national funding developments and the impact that this may have on the College's financial position. The college will also remain cognisant of local changes within Birmingham that could affect the college and explore opportunities for growth.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2024 (cont'd)**Auditors**

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware;
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditors, UHY Hacker Young (Birmingham) LLP, are willing to continue in office.

The Trustees' Report incorporating a strategic report was approved by the board of trustees, as the company directors on 5 December 2024 and signed on their behalf by:

.....
J Rodway
Chair of Trustees

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 JULY 2024

The Trustees, who are also the Directors of the charitable company for the purposes of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2023 to 2024;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards FRS102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform to the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Trustees on 5 December 2024 and signed on its behalf by:

.....
J Rodway
Chair of Trustees

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VICTORIA COLLEGE LIMITED FOR THE YEAR ENDED 31 JULY 2024**Opinion**

We have audited the financial statements of Victoria College Limited for the year ended 31 July 2024 which comprise Statement of Financial Activities, the Balance Sheet and the Statement of Cash Flows and notes to the financial statement, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019.

In our opinion the financial statements:

- give a true and fair view of the state of the Victoria College Limited's affairs as at 31 July 2024 and of its incoming resources and application of resources, including income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities SORP 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statement is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Victoria College Limited's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the financial statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VICTORIA COLLEGE LIMITED FOR THE YEAR ENDED 31 JULY 2024 (cont'd)**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustees' report (incorporating the Strategic Report, and the Trustees Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report. We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement set out on page 9, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Victoria College Limited's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VICTORIA COLLEGE LIMITED FOR THE YEAR ENDED 31 JULY 2024 (cont'd)

Based on our understanding of the Victoria College Limited and the industry in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to the acts by the Victoria College Limited, which were contrary to applicable laws and regulations including fraud, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Companies Act 2006, Charities SORP 2019 and Charities Act 2011. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to inflated revenue and the Victoria College Limited's net income for the year.

Audit procedures performed included: review of the financial statement disclosures to underlying supporting documentation, review of correspondence with and reports to the regulators, including correspondence with the Education and Skills Funding Agency review of correspondence with legal advisors, enquiries of management and review of internal audit reports in so far as they related to the financial statements, and testing of journals and evaluating whether there was evidence of bias by the Trustees that represented a risk of material misstatement due to fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the College to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VICTORIA COLLEGE LIMITED FOR THE YEAR ENDED 31 JULY 2024 (cont'd)**Use of our report**

This report is made solely to the Victoria College Limited's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Victoria College Limited's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Victoria College Limited's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Victoria College Limited's and the Victoria College Limited's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2024**1 Statement of Accounting Policies**

A summary of principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

Basis of Preparation

The financial statements of the College trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities : Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Charities Act 2011 and the Companies Act 2006.

Victoria College meets the definition of a public benefit entity under FRS 102.

Going Concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the College Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the College Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All incoming resources are recognised when the College Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance sheet in the restricted fixed asset fund.

• Sponsorship income

Sponsorship income provided to the College Trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable, where receipt is probable and it can be measured reliably.

• Donations

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

• Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the College Trust has provided the goods or services.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2024

- **Donated goods, facilities and services**

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the College Trust's accounting policies.

- **Transfers of leasehold property**

Leasehold property transferred to the College from the local authority at little or no consideration will be revalued at fair value in accordance with FRS 102. This value will be recognised as incoming resources in the Statement of Financial Activities and will be included in the appropriate fixed assets category and depreciated over the life of the lease.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Expenditure on Raising Funds**

This includes all expenditure incurred by the College Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

- **Charitable Activities**

These are costs incurred on the College Trust's educational operations, including support costs and costs relating to the governance of the College Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

Tangible Fixed Assets

Assets costing **£1,000** or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on a straight line basis on the cost of tangible fixed assets, to write them down to their estimated residual values over their expected useful lives. No depreciation is provided on leasehold land where the lease is more than 20 years. The principal annual rates used for other assets are:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2024

Tangible Fixed Assets (cont'd)

Motor vehicles	20%
Furniture and equipment	10% to 33%
Computer equipment and software	25%

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Leased assets

Rentals under operating leases are charged on a straight line basis over the lease term.

Financial Instruments

The College trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the College trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 13. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instrument, and are measured at amortised cost as detailed in note 14. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Taxation

The College Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the College Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pensions Benefits

Retirement benefits to employees of the College Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

All staff are employed by Victoria School under a service level agreement with the College. As a result no staff have been transferred under Transfer of Undertakings (Protection of Employment) Regulations 2006 and there are therefore no TPS or LGPS liabilities at the College for this year.

Fund Accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the College Trust at the discretion of the trustees. Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency/Department for Education.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2024

Critical accounting estimates and assumptions

The College Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The critical areas of judgement are accounting for government grants, accounting for the write down of assets through depreciation. Government grants are accounted for as restricted funds. Depreciation rates are based on the expected life of the asset.

Critical areas of judgement

The critical judgements that the Trustees have made in the process of applying the College Trust's accounting policies that have the most significant effect on the amounts recognised in the statutory financial statements are discussed below:

In assessing whether there have been any indicators of impairment assets, the Trustees have considered both external and internal sources of information such as market conditions, counterparty credit ratings and experience of recoverability. There have been no indicators of impairments identified during the current financial year.

Agency arrangements

The College Trust acts as an agent in distributing 16-19 bursary funds from the ESFA. Payments received from the ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust cannot use any of the allocation towards its own administration costs. The funds received and paid and any balances held are disclosed in note 27.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2024 (cont'd)

2 GENERAL ANNUAL GRANT (GAG)

Under the funding agreement with the Secretary of State the Victoria College Limited was not subject to a limit on the amount of Post 16 High Needs Funding grant that it could carry forward at 31 July 2024 (see note 15).

3 DONATIONS AND CAPITAL GRANTS

	Unrestricted Funds £'000	Restricted Funds £'000	Total 2024 £'000	Total 2023 £'000
DfE/ESFA capital grants	-	29	29	38
Donations	3	1	4	15
	<u>3</u>	<u>30</u>	<u>33</u>	<u>53</u>

The income from donations and capital grants was £33,000 (2023: £53,000) of which £3,000 (2023: £7,000) was unrestricted, £1,000 (2023: £8,000) restricted and £29,000 (2023: £38,000) restricted fixed assets.

9 STAFF COSTS	Total	Total
a Staff costs and employee benefits	2024	2023
Staff costs during the year were:	£'000	£'000
Wages and salaries	661	614
Social security costs	55	48
Pension costs	167	183
Other employee benefits	-	-
	<u>883</u>	<u>845</u>
Agency staff costs	165	213
Staff restructuring costs	-	-
	<u><u>1,048</u></u>	<u><u>1,058</u></u>

b Staff severance contractual and non contractual payments

The college paid no severance payments in the year (2023: none)

c Special staff severance non contractual payments

Included in staff restructuring costs there are no non statutory/non contractual special severance payments (2023: £nil).

d Staff numbers

The average number of persons (including School Leadership Team) employed by the college during the year ended 31 July 2024 expressed as whole persons was as follows:

	2024	2023
<i>Charitable Activities</i>	No	No
Teachers	2	2
Administration and support - including Teaching Assistants	28	30
Management	3	3
	<u>33</u>	<u>35</u>

e Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs and employer national insurance contributions) exceeded £60,000 was:

	No	No
£60,001 - £70,000	-	1
£70,001 - £80,000	1	-
	<u>1</u>	<u>-</u>

f Key management personnel

The key management of the college comprise the trustees and the Senior Leadership Team as listed on page 3. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy Trust was £98,219 (2023: £88,711).

10 RELATED PARTY TRANSACTIONS – TRUSTEES' REMUNERATION AND EXPENSES

No trustee has been paid remuneration or has received other benefits from an employment with the College.

Other related party transactions including directors are set out in note 26.

11 TRUSTEES' AND OFFICERS' INSURANCE

In accordance with normal commercial practice the College has purchased insurance to protect trustees' and officers from claims arising from negligent acts, errors or omissions occurring whilst on College business. The insurance provides cover up to £10,000,000 on any one claim. The cost of this insurance cannot be disaggregated and is included in the total insurance cost.

Notes

- i) Post 16 High Needs Funding Grant must be used for the normal running costs of the School. Under the funding agreement with the Secretary of State, the College Trust was not subject to a limit on the amount of grant that it would carry forward at 31 July 2024. (see note 2)
- ii) Free school meals grant has been used to support young people from low income families placed at the College.
- iii) High needs top up grants from Local Authorities have been used to support pupils with learning or behavioural issues by providing teaching and teaching assistant support.
- iv) A fixed assets donation of £Nil (2023: £Nil) was received and used to fund capital expenditure.
- v) Unrestricted funds have been derived from lettings, other trading activities and investment
- vi) Teachers' pension grant provides funding to to cover increased employer contributions to the teachers' pension scheme (TPS).
- vii) Catering income is generated through sale of meals to students.
- viii) Restricted donations have been applied for the intended purpose.
- ix) ESFA capital grants are devolved formula capital and school conditions allowance grants from the ESFA to support expenditure on capital items.
- x) Expenditure from revenue funds is the expenditure to meet the ongoing and day to day running costs of the College in the provision of education to its students.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2024 (cont'd)**24 CONTINGENT LIABILITIES**

During the period of the funding agreement between the Victoria College Limited and the Secretary of State, in the event of the sale or disposal by other means of any asset for which a Government capital grant was received, the Victoria College Limited is required either to reinvest the proceeds or to repay to the Secretary of State for Education the same proportion of the proceeds of the sale or disposal as equates with the proportion of the original cost met by the Secretary of State.

Upon termination of the funding agreement, whether as a result of the Secretary of State or the Victoria College Limited serving notice, the Victoria College Limited is obliged to repay to the Secretary of State sums determined by reference to:

- a) the value at that time of the Victoria College Limited's sites and premises and other assets held for the purpose of the Victoria College Limited; and
- b) the extent to which expenditure incurred in providing those assets was met by payments by the Secretary of State under the funding agreement.

25 MEMBER LIABILITY

Each member of the Victoria College Limited undertakes to contribute to its assets in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

26 RELATED PARTY TRANSACTIONS

Owing to the nature of the College Trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the board of trustees may have an interest. All transactions involving such organisations are conducted in accordance with the College trust's financial regulations and normal procurement procedures relating to connected and related party transactions. The following related party transaction took place in the period of account:

Victoria College made the following purchases at arms' length in accordance with the financial regulations, which the following related parties below neither participated in, nor influenced.

G Coffey is Executive Headteacher across Victoria College, Victoria School and Cherry Oak School. Victoria College purchased goods and services from Victoria School. Total expenditure for the year ended 31 July 2024 was £1,104,208 (2023: £1,158,267), of which £Nil (2023: £120,724) was outstanding at the year end.

Victoria College purchases goods and services from Cherry Oak School. Total expenditure for the year ended 31 July 2024 was £Nil (2023: £23,350), of which £Nil (2023: £Nil) was outstanding at the year end.

27 AGENCY ARRANGEMENTS

The college distributes 16-19 bursary funds to students as an agent for the ESFA. In the accounting period ending 31 July 2024 the trust received £5,602 (2023: £4,129) and disbursed £1,581 (2023: £3,498) from the fund. An amount of £6,983 (2023: £2,962) is included in other creditors relating to the undistributed funds that is repayable to the ESFA.

28 EVENTS AFTER THE END OF THE REPORTING PERIOD

There are no material adjusting or non adjusting events arising after the balance sheet date.
