Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting Policies.

Trustees' responsibilities statement

The trustees (who are also the directors of The Chris Harmanda Foundation for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of the income and expenditure of the Charity for the year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in Accounting and Reporting by Charities; Statement of recommended practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard 102;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the Charity and financial information included on the Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Independent examiner's report to the Trustees of The Chris Harmanda Foundation

For the year ended 31 August 2023

I report to the Charity Trustees on my examination of the accounts of The AUC Foundation for the year ended 31 December 2023.

Responsibilities and basis of report

As the Trustees of the Charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2001 ('the Act')

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charity (Accounts and Reports) Regulations 2008 other than requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant accounting policies below or in the notes to these accounts.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP FRS 102), Section 1A of Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland' ('FRS 102'), the Charities Act 2011 and the Companies Act 2006.

The Charity constitutes a public benefit entity as defined by FRS 102.

The accounts are presented in sterling and are rounded to the nearest pound.

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the accounts are as follows:

2.2 Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Society has adequate resources to continue in operational existence for the foreseeable future. For this reason, the Society will continue to adopt the going concern basis in preparing the financial statements.

2.3 Fund accounting

The unrestricted fund is the general fund which is available for the Charity at the discretion of the trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

2.4 Cash Flow Statement

The accounts do not include a cash flow statement because the Charity, as a small reporting entity, is exempt from the requirement to produce such a statement under Accounting and Reporting by charities Statement of Recommended Practice (Charities SORP (FRS 102)).

Notes to the financial statements (continued)

For the year ended 31 August 2023

2.5 Income

Income is recognised in the period in which the Charity is entitled to receipt, the receipt is probable and the amount can be measured with reasonable certainty.

2.6 Expenditure

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities, they have been allocated on a basis consistent with the use of the resources.

Support costs are those incurred directly in support of expenditure on the objects of the Charity. Governance costs are those incurred in connection with administration of the Charity and compliance with constitutional and statutory requirements.

2.7 Cash at bank

Cash at bank represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition.

2.8 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

2.9 Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a Charity for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.10 Financial instruments

The Charity has only financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

3. Employees

The average monthly number of employees during the period was nil.
