energy and expertise, we would not have been able to achieve as much as we have done so far.

Achievements and performance

Summary of the main achievements of the charity during the year.

All classes are now been regularly attended by the general public who enjoy various activities including Ballet, Tap, Zumba and also fitness classes, together with our support sessions.

Our Luke's Lads and Butterflies sessions (mental health groups) have now become so popular that we are nearing our capacity for certain age groups.

With regards to fundraising we have suggestions to hold various events to keep the monies coming in to keep our services free at the point of access.
