

Chairs Report  
Ramsey Heritage Partnership  
Year ending 6<sup>th</sup> July 2022

Ramsey Heritage Partnership became a registered Community Interest Organisation.

The Trustees have met several times throughout the year as well as the monthly Partnership meetings.

This year has seen two successful heritage days being held - one in September as part of the National Heritage Open Days events and the other in to open the season in April. Sites that were open have all reported a good number of visitors.

A number of suggested topics have been put forward to create small and simple leaflets outlining the history of various aspects of the area. The first concerns the old mill. These will help promote Ramsey Heritage Partnership

We had a stall on the local market in May 2022 to launch RHP. Several people showed an interest. Membership forms and Discover Ramsey leaflets were handed out.
