4. Activities, Achievements, and Performance

Summary of Activities:

• Achievements:

- Supported over **263 individuals** in the last 12 months, providing crucial services in housing, employment, and substance misuse recovery.
- Achieved an **92% reduction in re-offending** among our service users.
- Delivered **500 interventions** across various needs, including 112 housing interventions, 96 employment advocacy cases, and engagement in mental health and substance recovery services.

5. Public Benefit Statement

Fresh Start Future Enterprises complies with the Charity Commission's guidelines for public benefit. Our services are freely available to ex-offenders and those involved in the criminal justice system, ensuring they can reintegrate into society and become law-abiding citizens. By reducing reoffending, our charity helps to improve public safety and reduce the burden on the criminal justice system, contributing to wider societal well-being.

6. Financial Review

Income:

The National Lottery has been our primary source of funding, playing a pivotal role in supporting the essential work our charity has undertaken throughout the last 3 years. Thanks to this generous backing, we were able to make a meaningful impact across various projects and initiatives that align with us. During the financial year, the charity generated a total income of **£216,078.00**. The majority of this funding came from the National Lottery – Community Fund, which enabled us to expand our reach and support vulnerable individuals in our community. In addition to the Lottery's contributions, we received crucial support from Hopestead and the Norfolk Community Foundation, both of which have been instrumental in helping us sustain and develop our programs. We are also grateful for the additional contributions from various smaller funders, whose support, though smaller in scale, was equally vital in ensuring the success of our work.

This collective funding has allowed us to maintain our ongoing projects and launch new initiatives aimed at addressing urgent community needs, proving once again the immense value of collaboration and financial backing in the charity sector.

Expenditure:

The total expenditure amounted to **£222,881.00**, which was allocated towards client support services, administrative costs, and program delivery; the increase is the cost-of-living crisis and demand for the service far outstripping resource

Reserves Policy:

The trustees established a reserves policy of 1 month's operational costs, this was changed from 3 months by the board of trustees due to the cost-of-living crisis.

7. Risk Management

The trustees have conducted a thorough risk assessment and identified key risks in the areas of funding, service demand, and operational challenges. To mitigate these risks, we have diversified our income streams by applying for additional grants and securing corporate partnerships. Additionally, we have strengthened our internal monitoring systems to ensure efficient service delivery and risk management.

8. Plans for Future Periods

Looking ahead, Fresh Start Future Enterprises plans to expand its reach into new regions and enhance its services in response to growing demand. Our primary objectives include:

- **Expanding Service Areas:** We aim to extend our services to additional regions in the East of England.
- **Increased Capacity:** We plan to recruit additional case workers and volunteers to meet the growing demand for support.
- **New Partnerships:** Strengthening collaborations with local authorities, businesses, and educational institutions to provide holistic support.
- **Innovative Workshops:** Launching a series of behavioural and cognitive workshops designed to help ex-offenders break the cycle of reoffending.

9. Key Metrics and Successes

- **Housing Advocacy:** 112 interventions, reducing waiting times for secure housing by 6 months.
- **Employment Advocacy:** 96 interventions, with post-release employment rates increased to 42% (national average is 17%).
- **Mental Health:** 68% of clients were connected to mental health services (national average is 39%).
- **Substance Abuse Advocacy:** 60% of clients actively engaged in recovery programs.

10. Collaborations and Partnerships

Fresh Start Future Enterprises has built strong partnerships with key organisations to maximize our impact:

- **HMPs:** Joint programs to support offenders pre- and post-release.
- **Local Housing Authorities:** Fast-tracking housing applications and resolving homelessness for our clients.
- **Rehabilitation Services:** Facilitating placements in drug and alcohol treatment programs.
- **NSFT**

11. Volunteer and Community Engagement

Volunteers have played a pivotal role in the successful delivery of our services this year, particularly in response to the significant increase in referrals. Their contributions have been essential in ensuring we can continue to meet the rising demand for support without overstretching our core resources. Without the dedication of our volunteers, we would have faced challenges in maintaining the breadth and quality of our vital services. Over the past year, we successfully recruited, trained, and provided ongoing support to more than 12 volunteers, each of whom has been integral in helping us expand our capacity and enhance the impact of our programs. Their work has ranged from direct client support to assisting with administrative duties, allowing us to better allocate our resources and ensure that no individual seeking our help goes without the support they need.

12. Testimonials**Norwich***Case Study*

We received a referral from Change Grow Live (CGL), based at HMP Norwich, regarding a client, L.N., who was due for imminent release and required support upon re-entering the community. L.N. had no accommodation arranged, lacked external support networks, and, being originally from another area, had no local connections in Norwich. It was made clear that returning to his hometown would pose significant risks to his safety and wellbeing due to previous gang affiliations, potentially resulting in reoffending or fatal consequences.

Following extensive efforts, including outreach to various organisations, communication with solicitors, and engagement with Norwich City Council, temporary hotel accommodation has now been secured for L.N. while the Council works to arrange more stable temporary housing.

I have supported L.N. by assisting with the completion of necessary documentation, liaising with relevant agencies, and providing emotional support to help him navigate this transitional period. As a result, L.N. is now more settled and has expressed sincere gratitude for the support provided by both myself and Fresh Start. He is optimistic about this new chapter in his life and is committed to remaining out of the criminal justice system.

Case Study

A client self-referred to our service in September. He has previously served two custodial sentences and is now highly motivated to make positive changes in his life. Upon release, he faced considerable challenges, including a lack of accommodation, identification, financial resources, and adequate clothing.

Our service responded by securing suitable accommodation, providing food and clothing vouchers, and supporting him with benefit applications and obtaining official ID documentation. He has shown strong engagement with employability support, including the development of a CV, Letter of Application, and Disclosure Letter. He also participates in weekly mentoring sessions and has supervised access to the internet to aid his job search.

Despite fully disclosing his circumstances, he successfully secured three employment offers; however, these were later withdrawn following involvement from the Public Protection Unit (PPU). Support for this client remains ongoing, and we continue to advocate for opportunities that allow him to rebuild his life.

Case Study

T.M. was referred to our service by the NHS and is currently occupying a bed within a mental health hospital. He requires support in securing appropriate accommodation in preparation for his discharge. We have been actively assisting him with the housing application process and providing ongoing support in navigating the bidding system through the Ipswich housing register.

During this process, T.M. experienced technical difficulties, including issues with resetting his account password, which temporarily restricted his access to the housing portal. With our intervention, these issues were successfully resolved, and his account has now been reinstated. We continue to support T.M. in his efforts to secure stable accommodation that will contribute to his long-term recovery and wellbeing.

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Independent Examiner's Report

**Report to the
trustees/directors/
members of**

Fresh Start Future Enterprises Limited

**On accounts for the
period ended**

30th September 2021

Charity no.:

1191533

Company no.:

12371507

Set out on pages

1 - 18

I report to the charity trustees on my examination of the accounts of the Company for the period ended 31 / 12 / 2020.

**Responsibilities and
basis of report**

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
