of care and attention and provide facilities for the reception, care, treatment and rehoming of such animals;

During the year:

1. We have assisted owners by helping with veterinary costs, professional behavioural trainers and animal therapists for Labradors that have come into our care.

2. For those Labradors that have come into our care and need special care and/or medical needs, we put them into vetted experienced foster homes until they are ready to be rehomed. We have had a pregnant bitch who went to a whelper, but sadly lost the litter.

3. When we have been approached, either by email, telephone or social media, we have offered advice regarding weight management, seizures, RD/OSD etc. We also put Facebook Posts on our page to inform the public, of danger of eating acorns/conkers and IMPA (Immune Mediated Polyarthritis).

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

ACHIEVEMENTS

Continued fundraising in the current climate has proved difficult, especially with the cost of living crisis but sales of rescue calendars, bespoke mugs and bandanas has gone very well. Our JustGiving page has continued to raise money via the rescue website from unknown donors.

We rehomed 67 Labradors during 2024.

The ones that really stuck out this year were:

Leo, who was returned to his breeder for eating his own excrement, we helped to rehome him and he living his best life with a holiday lined up abroad.

Pepper, a puppy that had not been living her best life and on arrival in her new home completely shut down. After weeks of letting her decompress and help from our local trainer helped her come out of her shell and is now visiting the beach and trips out in the soft top car.

Blaze, came into rescue heavily pregnant. 1 week later she gave birth to a litter of 10 healthy puppies, with thanks to the volunteer experienced whelpers that offered to help us over the initial 8 weeks. Amazing homes were found for all pups and Blaze as well.

Bruce and Yogi, whose owners had deceased very closely together, we moved them straight into foster and were successfully rehomed together.

Winston, was initially adopted through us, but was returned a year later due to separation anxiety. We rehomed to another home, who love him warts and all.

Nelly, had been incontinent since birth, her owner couldn't keep her due to his own health issues. She came into foster where she began medical treatment. Sadly after just a week it was discovered she had chronic kidney issues, amongst others, she sadly passed away aged 1.

Four Paws – A massive thanks to Siobhan and her team for their continued and ongoing support.

A thank you to our adopters for loving our dogs and also to the families who have returned and adopted another from us.

ACHIEVEMENTS

Continued fundraising post Covid has proved difficult, especially with the cost of living crisis but sales of rescue calendars, bespoke mugs and bandanas has gone very well. Our JustGiving page has continued to raise money via the rescue website from unknown donors.

We rehomed 48 dogs were rehomed during 2023. We continued with virtual homechecks by our volunteers and rehomed in accordance with the current Covid regulations.

We took on a few strays whose owners could not be traced over this year, one whose owner was found deceased by the Police and was rehomed following a short period of foster. Another that really suffered with separation anxiety and her new owner has worked very hard for her to be able to live in a house. We have continued taking a few retiring breeding bitches. We have covered medical costs for all these deserving cases, which is a huge undertaking for such a small and relatively new Charity.

Four Paws – A massive thanks to Siobhan and her team for their continued and ongoing support.

A thank you to our adopters for loving our dogs and also to the families who have returned and adopted another from us.

Bearing in mind that we were in the middle of Covid, a wonderful 39 dogs were rehomed during 2021. We switched to virtual homechecks by our volunteers and rehomed in accordance with the current Covid regulations, which sometimes proved very interesting.

Having taken on two disabled Labrador puppies, both with Cerebellar Hypoplasia, one that is also blind in one eye and the other with terminal kidney disease, they continue to amaze and inspire us on how they are so resilient. We cover medical costs for both when needed, which is a huge undertaking for such a small and relatively new Charity.

We offered financial support for a chocolate Labrador, who had external cancer of the eye which required treatment to remove the cancer and finally removal of the eye. He is now absolutely fine. He's 13. He needed our help as no other charity would help.

Four Paws – A massive thanks to Siobhan and her team for their continued and ongoing support.

Robert Fleming - Thanks go to Robert and Cheryl who fundraised in memory of their deceased Labrador Tiki.

A thank you to our adopters for loving our dogs and also to the families who have returned and adopted another from us.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2021.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
