CHAIRMAN'S STATEMENT

It has been a busy year for the Development Company with all efforts on progressing the King Drive, Wrose Project.

The Charity had originally planned to purchase land at Kings Drive, Wrose to develop 12 one-bedroom apartments. Delays with planning and drainage complications caused the vendor to re-consider his sale process and from this it was agreed that Bradford Flower Homes Development Ltd would purchase the whole plot of land for £400k. This purchase was successful in July 2023.

This now presents us with a very exciting project to develop 18 apartments and 8 bungalows on a 1.9 Acre plot and are we delighted that at the April 2024 Board meeting, Bradford Flower Fund Homes Board agreed to back the development.

Planning Permission was submitted in September 2023 and was eventually granted in April 2024. This was met with equally good news that Home England had agreed to fund the project with a grant of £2,053,000. I would like to express my thanks to Sue Missin of Saffer Cooper for her assistance with this bid.

The site is located in a great location, with access to local shops, supermarkets, bus routes and health centre and we pleased to advise that Bradford Council have provided their support.

Going forward we are working with Micheal Eyres Partnership who will project lead the Design and Build project. The tender process is ongoing, and we are confident of appointing a builder by the end of May 2024. We have also been approached by Bradford Council to acquire a piece of land and bungalow at the Baildon War Memorial. We have submitted our proposal for the site to Bradford Council who have agreed that we would be a suitable charity to receive this donation. We are now awaiting Bradford Council to go through their legal process. Once this has been donated, we will look to further develop this from one unit to three units initially.

Financially the charity has a good year, and I am delighted we have made a net surplus of £19,711 for 2023-2024. There were minimal general repair and refurbishment costs for the year.

Thank you to Ian Whitley, Stephen Rhodes, Stephen Jordan, Paul Hooper, and trustees of Bradford Flower Fund Homes for your continued support.

TRUSTEES' REPORT INCORPORATING THE OPERATIONAL AND FINANCIAL REVIEW**

FOR THE YEAR ENDED 31 MARCH 2024

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of the Charity for the year 1 April 2023 to 31 March 2024. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

The charity is also a Registered Housing Provider and these accounts are prepared in accordance with the Housing Regeneration Act 2008 and the Accounting Direction for private registered providers of social housing in England 2022.

Objectives and activities

• Policies and objectives

Bradford Flower Homes Development Limited exists to improve the lives of Bradford's elderly through providing high quality homes at affordable rents, keeping you there and providing support and customer service along the way. Tenants can build their lives in our homes which they can call their home - equal parts attractive, safe and affordable. Our ambition covers our business and tenants by striving to increase our capacity to deliver positive contributions to our community through a resilient business model.

In providing affordable rented properties, the Board of Directors considers that the activities of the association provide a real public benefit and have regard for the Charity Commission guidance on public benefit.

The Association has a 5 point strategic objective:

1. To invest in its existing housing stock to ensure that Bradford Flower Fund Homes provides a high standard of attractive and safe accommodation.
2. To provide a caring and responsive service to tenants which delivers customer satisfaction.
3. To increase the supply of quality affordable homes where financially viable.
4. To ensure that Bradford Flower Fund Homes' work is underpinned by effective financial, administrative and management processes set within a framework of effective corporate governance.
5. To support resident engagement in the management of their homes.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

• Activities undertaken to achieve objectives

The Association provides and maintains affordable rented housing for retired people and welcomes donations from the public to support this.

In order to offer a public benefit, The Association provides rental charges for the properties at least 20% below market value. The management carry out regular market comparison surveys to achieve this target.

The property maintenance contractors are monitored, and service levels are checked monthly to ensure maintenance issues and general repairs are dealt with to the tenant's expectations.

Objectives and activities (continued)

• Activities undertaken to achieve objectives (continued)

An application for tenancy register is kept and maintained. In addition a scoring system is used to select potential tenants and ensure the Flower Fund criteria is followed.

A five year plan is in place to support the Boards strategy to improve and maintain the existing properties.

Re-investment in properties at refurbishment stage to ensure the properties are attractive and comfortable.

Continuous monitoring of properties through inspections to ensure properties are maintained to the high standards expected.

Funding is provided for the Bradford Council Safe and Sound service for those tenants who need extra care within their homes.

Regular meetings are held between tenants and management to provide feedback channels and improve the living environments.

Achievements and performance

• Key performance indicators

As at 31 March 2024, the total accumulated deficit of Bradford Flower Homes Development Limited amounts to £8,229.

The amount utilised in acquiring buildings and converting properties for the elderly is £1,595,136 with other fixed assets totalling £6,829.

The net current liabilities of £1,254,994 is represented by £1,415,564 net amounts owed by Bradford Flower Homes Development Limited after allowing for £160,570 cash at bank and in hand, including funds on deposit.

• Review of activities

The Charity provided 10 homes for the needs of retired persons throughout the year.

• Fundraising activities

The Charity's income is raised primarily through rental income. The charity does not use any professional fundraiser or commercial participator to carry out activities on the charity's behalf.

Due to the low level of fundraising the Charity undertakes, the charity is not a participant of any voluntary scheme for regulating fundraising, or any voluntary standard of fundraising for the activities carried out on behalf of the charity. Should the Charity at some point in the future undertake a specific fundraising campaign or start to generate more income through fundraising, the Trustees will look to sign up to a voluntary fundraising code.

Financial review

• Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

• Reserves policy

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees consider that the ideal level of reserves as at 31 March 2024 for the group would be £150,000.

The group consists of Bradford Flower Fund Homes (Parent) and Bradford Flower Homes Development Limited (Subsidiary).

A number of factors have been identified and evaluated to reach this reserve level as listed below:

- *Maximum differential in lowest and highest Bradford Flower Fund Homes bank balance variation over the past 5 years = £130,000.*
- *Yearly Expenditure on General Repairs = £45,000.*
- *Unlikely cost of all properties being void for 1 month = £64,000.*
- *Property Improvement Budget already within Annual Budget = £200,000.*
- *Board Control on cash spending within Annual Budgets.*
- *The reserves allow for additional smaller spending opportunities. Larger opportunities would be planned and budgeted.*
- *The Risk Register has been reviewed and the reserve allows for additional spending.*

The Association's funding is derived from bequests, in memoriam donations in lieu of flowers and surpluses from rental income. The Association accumulates cash reserves for the purpose of modernisation and improvement of its existing estate, the purchase of land and the construction of additional properties to achieve its stated objective. The amount held in such reserves will vary over time, depending on the price and availability of land, construction costs and the Association's ongoing improvement and development activities. Cash reserves are accumulated from surpluses of revenue income over expenditure and from bequests and donations. The sums held and the reserves policy are subject to regular review by the Board of Directors. These resources are considered essential for the Association to achieve its aim of providing and maintaining small, individual retirement homes in fully maintained surroundings at rent levels that are within the means of elderly people living on limited incomes.

• Directors' salaries

No remuneration is paid to the Trustees and as the company is limited by guarantee, none of the Trustees have any interest in the company reserves.
The company currently has no employees.

• Investments

The company's investment powers are set out in its Articles of Association and allow the company to invest funds not immediately required in securities and property, subject to such conditions as may be required by law. Those responsible for financial management remain mindful of the current economic climate and the need to invest to secure maximum income whilst managing associated risk.

BRADFORD FLOWER HOMES DEVELOPMENT LIMITED (A company limited by guarantee)
NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Summary of significant accounting policies

Status

The company is registered under the Companies Act 2006 and has been a registered charity since 1st October 2020. The charitable company registered with the Regulator of Social Housing as a housing provider on 7th May 2021.

General information and basis of preparation

Bradford Flower Homes Development Limited is a private registered provider of social housing in the United Kingdom. The address of the registered office is given in the company's information on page 1 of these financial statements. The nature of the company's operations and principal activities are the provision of social housing.

The company constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared in accordance with applicable accounting standards including Financial Reporting Standard 102 The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Statement of Recommended Practice for Social Housing Providers 2018, and with the Accounting Direction for private registered providers of social housing in England 2022. The financial statements are also prepared under the requirements of the Housing and Regeneration Act 2008 and the Companies Act 2006. The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling, which is the functional currency of the association, and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Going concern

Whilst the company made a surplus for the year of £19,711, it has net liabilities of £8,229 due to the incorporation costs in its first period.

The trustees have prepared financial forecasts of income, expenditure and cash flows which show that the company will generate future surpluses and has sufficient cash reserves to be able to continue its operations for the foreseeable future. Therefore, the Trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

Tangible fixed assets

Housing properties

Social housing properties are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended, such as the cost of acquiring land and buildings, developments costs, interest charges on loans during the development period and expenditure on improvements. Expenditure on improvements will only be capitalised when it results in incremental future benefits such as increasing rental income, reducing maintenance costs or resulting in a significant extension of the useful economic life of the property.

BRADFORD FLOWER HOMES DEVELOPMENT LIMITED (A company limited by guarantee)
NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Summary of significant accounting policies (continued)

Tangible fixed assets

Housing properties (continued)

Major components of housing properties are depreciated at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Structure	100 years
-----------	-----------

Freehold land is not depreciated. Housing properties under construction are not depreciated until they are in use and the useful economic lives of all tangible fixed assets are reviewed annually.

Other

Other tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Fixtures and equipment	20% reducing balance basis
------------------------	----------------------------

Impairment

All properties are considered for impairment annually and detailed reviews of assets for impairment are carried out if there is an indication that impairment has occurred or if they are not being depreciated.

Impairments that are a result of a major reduction in the service potential of a property are recognised in the income and expenditure account. Impairments that reflect general changes in price are, where the property is shown at a valuation, recognised in the statement of total recognised surpluses and deficits until the value of the asset falls to depreciated historical cost.

Further impairments, or the full impairment if the property has not been revalued, are then recognised in the income and expenditure account.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the income and expenditure in other administrative expenses.

Rights of social landlords to have improvement works carried out to properties by a third party (such as a local authority) are recognised as prepayments where payment has occurred in advance of the works being carried out and receipts in advance from the same third party recognised as liabilities. Assets and liabilities or income and expenditure are not offset.

Tax

The company is considered to pass the tests set out in Sch. 6, para. 1 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Pt. 11, Ch. 3 of the Corporation Tax Act 2010 or s. 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

BRADFORD FLOWER HOMES DEVELOPMENT LIMITED (A company limited by guarantee)
NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Summary of significant accounting policies (continued)

Turnover

Turnover represents rental and service charges income receivable in the year net of rent and service charge losses from voids, revenue grants from the government (local authorities) and the Homes England.

Grants

Grants receivable funding the general activities of the company are included in the year in which they are receivable.

Social Housing Grants

Social Housing Grants (SHG) are made by Homes England to assist with the acquisition or developments. SHG grants are included in deferred income and released in line with the depreciation of the assets.

Judgements and key sources of estimation uncertainty

There are no judgements (apart from those involving estimates) which have been made in the process of applying the above accounting policies that have had significant effect on amounts recognised in the financial statements.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year include:

Property valuations – the carrying value of property and annual impairment reviews are subject to assessment involving estimates on future rental yield and state of repair of the properties.
