**CHAIRMAN'S STATEMENT**

It has been a busy year for the Development Company with the building work for the King Drive, Wrose Project progressing well through the year.

Planning Permission was submitted in September 2023 and was eventually granted in April 2024. This was met with equally good news that Home England had agreed to fund the project with a grant of £2,053,000. I would like to express my thanks to Sue Missin of Saffer Cooper for her assistance with this bid.

The first instalment of the Home England Grant for £1,764,750 was received in October 2024 with the remaining due on completion of the build. Social Housing Grant income will be recognised in line with the accounting policy which can be seen on page 16.

The project is being led by Micheal Eyres Partnership, and we appointed Jack Lunn Builders in May 2024 following a successful Tender process. We are extremely pleased with the working relationship we have had with all our contractors since the start of the build and the regular monthly build meetings prove very informative. We are also delighted that Jack Lunn Builders joined the "Considerate Builders Scheme" which has led to a strong working relationship between the builders and local tenants.

At the time of writing the build is going well and is due for completion in November 2025. We are confident that we will have new tenants within the properties early in 2026.

Financially the charity has a good year, and I am delighted we have made a net surplus of £25,942 for 2024-2025. There were minimal general repair and refurbishment costs for the year.

Thank you to Ian Whitley, Stephen Rhodes, Stephen Jordan, Paul Hooper and trustees of Bradford Flower Fund Homes for your continued support.

## **FOR THE YEAR ENDED 31 MARCH 2025**

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of the Charity for the year 1 April 2024 to 31 March 2025. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

The charity is also a Registered Housing Provider and these accounts are prepared in accordance with the Housing Regeneration Act 2008 and the Accounting Direction for private registered providers of social housing in England 2022.

### ***Objectives and activities***

#### **• Policies and objectives**

Bradford Flower Homes Development Limited exists to improve the lives of Bradford's elderly through providing high quality homes at affordable rents, keeping you there and providing support and customer service along the way. Tenants can build their lives in our homes which they can call their home - equal parts attractive, safe and affordable. Our ambition covers our business and tenants by striving to increase our capacity to deliver positive contributions to our community through a resilient business model.

In providing affordable rented properties, the Board of Directors considers that the activities of the association provide a real public benefit and have regard for the Charity Commission guidance on public benefit.

The Association has a 5 point strategic objective:

1. To invest in its existing housing stock to ensure that Bradford Flower Fund Homes provides a high standard of attractive and safe accommodation.
2. To provide a caring and responsive service to tenants which delivers customer satisfaction.
3. To increase the supply of quality affordable homes where financially viable.
4. To ensure that Bradford Flower Fund Homes' work is underpinned by effective financial, administrative and management processes set within a framework of effective corporate governance.
5. To support resident engagement in the management of their homes.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

#### **• Activities undertaken to achieve objectives**

The Association provides and maintains affordable rented housing for retired people and welcomes donations from the public to support this.

In order to offer a public benefit, The Association provides rental charges for the properties at least 20% below market value. The management carry out regular market comparison surveys to achieve this target.

The property maintenance contractors are monitored, and service levels are checked monthly to ensure maintenance issues and general repairs are dealt with to the tenant's expectations.

**FOR THE YEAR ENDED 31 MARCH 2025**

***Objectives and activities (continued)***

**• Activities undertaken to achieve objectives (continued)**

An application for tenancy register is kept and maintained. In addition a scoring system is used to select potential tenants and ensure the Flower Fund criteria is followed.

A five year plan is in place to support the Boards strategy to improve and maintain the existing properties.

Re-investment in properties at refurbishment stage to ensure the properties are attractive and comfortable.

Continuous monitoring of properties through inspections to ensure properties are maintained to the high standards expected.

Funding is provided for the Bradford Council Safe and Sound service for those tenants who need extra care within their homes.

Regular meetings are held between tenants and management to provide feedback channels and improve the living environments.

***Achievements and performance***

**• Key performance indicators**

As at 31 March 2025, the total accumulated surplus of Bradford Flower Homes Development Limited amounts to £17,713.

The amount utilised in acquiring buildings and converting properties for the elderly is £2,759,759 with other fixed assets totalling £5,463.

The net current liabilities of £631,259 is represented by £691,024 net amounts owed by Bradford Flower Homes Development Limited after allowing for £59,765 cash at bank and in hand, including funds on deposit.

**• Review of activities**

The Charity provided 10 homes for the needs of retired persons throughout the year.

**• Fundraising activities**

The Charity's income is raised primarily through rental income. The charity does not use any professional fundraiser or commercial participator to carry out activities on the charity's behalf.

Due to the low level of fundraising the Charity undertakes, the charity is not a participant of any voluntary scheme for regulating fundraising, or any voluntary standard of fundraising for the activities carried out on behalf of the charity. Should the Charity at some point in the future undertake a specific fundraising campaign or start to generate more income through fundraising, the Trustees will look to sign up to a voluntary fundraising code.

**FOR THE YEAR ENDED 31 MARCH 2025**

## ***Financial review***

### **• Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

### **• Reserves policy**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees consider that the ideal level of reserves as at 31 March 2025 for the group would be £150,000.

The group consists of Bradford Flower Fund Homes (Parent) and Bradford Flower Homes Development Limited (Subsidiary).

A number of factors have been identified and evaluated to reach this reserve level as listed below:

- *Maximum working capital differential in lowest and highest Bradford Flower Fund Homes bank balance variation over the past 5 years = £130,000.*
- *Yearly Expenditure on General Repairs = £45,000.*
- *Unlikely cost of all properties being void for 1 month = £64,000.*
- *Property Improvement Budget already within Annual Budget = £200,000.*
- *Board Control on cash spending within Annual Budgets.*
- *The reserves allow for additional smaller spending opportunities. Larger opportunities would be planned and budgeted.*
- *The Risk Register has been reviewed and the reserve allows for additional spending.*

The Association's funding is derived from bequests, in memoriam donations in lieu of flowers and surpluses from rental income. The Association accumulates cash reserves for the purpose of modernisation and improvement of its existing estate, the purchase of land and the construction of additional properties to achieve its stated objective. The amount held in such reserves will vary over time, depending on the price and availability of land, construction costs and the Association's ongoing improvement and development activities. Cash reserves are accumulated from surpluses of revenue income over expenditure and from bequests and donations. The sums held and the reserves policy are subject to regular review by the Board of Directors. These resources are considered essential for the Association to achieve its aim of providing and maintaining small, individual retirement homes in fully maintained surroundings at rent levels that are within the means of elderly people living on limited incomes.

### **• Directors' salaries**

No remuneration is paid to the Trustees and as the company is limited by guarantee, none of the Trustees have any interest in the company reserves.  
The company currently has no employees.

### **• Investments**

The company's investment powers are set out in its Articles of Association and allow the company to invest funds not immediately required in securities and property, subject to such conditions as may be required by law. Those responsible for financial management remain mindful of the current economic climate and the need to invest to secure maximum income whilst managing associated risk.

### **• Compliance with 2015 NHF Code of Governance**

The BFHD Board adopted the NHF 2015 Code of Governance in October 2020. It complies with the main principles. However, in compliance with the first requirement of the code a statement detailing areas of non-compliance is included below.

The BFHD Board do not currently have a separate internal audit committee. The Board oversee internal audit requirements and considers itself to be a small organisation with no staff. A review of the requirements will be reassessed at the July 2025 Board Meeting.

Despite the one area of non-compliance, BFHD strives to uphold the nine principles of good governance. These are defined by the NHF code of governance.

***Events since the Balance Sheet date***

The build continues to go well, and the completion date is on target for 16th November 2025 as planned. There are 60 applicants on the waiting list for the new properties before we have advertised which give us great confidence that the properties will be let quickly on completion. The build is on track to meet projected costs.

**Independent Examiner's Report to the Trustees of Bradford Flower Homes Development Limited  
(‘the Charity’)**

I report to the charity Trustees on my examination of the accounts of the Charity for the period ended 31 March 2025.

**Responsibilities and basis of report**

As the Trustees of the Charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

#### **Tangible fixed assets**

##### *Housing properties*

Social housing properties are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended, such as the cost of acquiring land and buildings, developments costs, interest charges on loans during the development period and expenditure on improvements. Expenditure on improvements will only be capitalised when it results in incremental future benefits such as increasing rental income, reducing maintenance costs or resulting in a significant extension of the useful economic life of the property.

**BRADFORD FLOWER HOMES DEVELOPMENT LIMITED (A company limited by guarantee)**  
**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 MARCH 2025**

**1 Summary of significant accounting policies (continued)**

**Tangible fixed assets**

*Housing properties (continued)*

Major components of housing properties are depreciated at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Structure	100 years
-----------	-----------

Freehold land is not depreciated. Housing properties under construction are not depreciated until they are in use and the useful economic lives of all tangible fixed assets are reviewed annually.

*Other*

Other tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Fixtures and equipment	20% reducing balance basis
------------------------	----------------------------

*Impairment*

All properties are considered for impairment annually and detailed reviews of assets for impairment are carried out if there is an indication that impairment has occurred or if they are not being depreciated.

Impairments that are a result of a major reduction in the service potential of a property are recognised in the income and expenditure account. Impairments that reflect general changes in price are, where the property is shown at a valuation, recognised in the statement of total recognised surpluses and deficits until the value of the asset falls to depreciated historical cost.

Further impairments, or the full impairment if the property has not been revalued, are then recognised in the income and expenditure account.

**Debtors and creditors receivable / payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the income and expenditure in other administrative expenses.

Rights of social landlords to have improvement works carried out to properties by a third party (such as a local authority) are recognised as prepayments where payment has occurred in advance of the works being carried out and receipts in advance from the same third party recognised as liabilities. Assets and liabilities or income and expenditure are not offset.

**Tax**

The company is considered to pass the tests set out in Sch. 6, para. 1 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Pt. 11, Ch. 3 of the Corporation Tax Act 2010 or s. 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

**BRADFORD FLOWER HOMES DEVELOPMENT LIMITED (A company limited by guarantee)**  
**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 MARCH 2025**
