## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The objects of the CIO are:

For the public benefit, the relief of those in need by reason of financial hardship in Pakistan by providing financial support and assistance for funerals and burial costs.

The prevention or relief of poverty in Pakistan in particular but not exclusively by, providing or assisting in the provision of; clean water supply, food, clothing, medical care, equipment for disabled people, education for orphans.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In setting our objectives and planning our activities our trustees have given careful consideration to the Charity Commission's guidance on public benefit.

Since its beginning, Al-Qiyas Welfare has supported for 9 funerals, providing financial help and essential items such as the shroud (kafan) necessary for burial according to Islamic tradition to families in need. We provided help and support to families who had lost loved ones in arranging burial and funerals.

This year we organised a very successful clothes collection. Adults and children's clothes and shoes were donated by generous people in the UK. The donated clothes were sorted and sent to Pakistan to help the poor and those in need who benefited greatly. We specifically asked for Pakistani clothing, jumpers, jackets, and shoes so that people could benefit the most in the Winter cold season.

Over 1500kg of clothes were sent to Pakistan via cargo or taken by our trustees while travelling to Pakistan. These donated clothes and shoes were then distributed in different areas in and around Jhelum, Pakistan.

One of the distributions took place in Jhelum, where anyone who was in need in the community could come with dignity and respect. Another clothes distribution took place in a rural area in District Gujrat, Pakistan. Clothes were distributed to families living in poor, overcrowded living conditions. Clothes were also distributed in a residential home, in Jhelum where residents included old people and those with disabilities or learning difficulties who have no loved ones or anyone to care for them.

Free hot meals were provided to around 200 people in the community in Jhelum, Pakistan. This Ramadan, we provided 160 families with food packs.

On Eid ul Adha 2021 we distributed Qurbani meat to around 700 people.

**Additional details of objectives and activities (Optional information)**
